Subject: 9th grade Option 2 continue remote learning

Dear parents and guardians,

As you may know by now, some of our ninth-grade students will be returning to campus on October 8th for face-to-face instruction. If you are receiving this email, you selected Option 2 for your student which indicated a preference to continue learning in the virtual/remote setting for the entire first term (through January 29th). Your child should continue to access courses remotely from home in the same fashion and on the same schedule. If you have any additional questions, please call our main office at 757-648-5600 or send an email to pahs@vbschools.com.

Thank you for being a Cavalier,

Princess Anne High School
