

## Grading Practices

School: Princess Anne Middle School

Subject(s): All Subjects

Grade Level: All Grade Levels

### Homework

**Homework will not be weighted in the calculation of a grade. Completion of homework will, however, be a condition for allowing students to retake assessments.**

### Late Work

**Late work will be accepted without penalty until one week after a teacher enters the assignment grade in the Synergy gradebook.**

### Explanation of Zeroes

**Zeroes will be given only for work that is not submitted.**

### Reassessment

**Students may retake assessments one time based on the following conditions: first, that all homework and class assignments related to the assessment are submitted and up-to-date, and second, that students who wish to retake complete an intervention/remediation determined by the teacher.**

### Make-up Work

**Make up work will be accepted without penalty until one week after a teacher enters the assignment grade in the Synergy gradebook. Teachers will consider timing and length of absences in adjusting this policy as necessary.**

### Extra Credit

**There will be no extra credit offered.**
