

Grading Practices

School: Tallwood High

Subject(s): Astronomy

Grade Level: 11 and 12

Homework

Homework will be assigned when necessary to reinforce learning. As such, homework will not be graded.

Late Work

Late work will be accepted up to 1 week after the unit assessment for a point deduction.

Explanation of Zeroes

A zero means the student did the assessment but received a score of zero for the assignment. A missing code (mi) will be entered if a student is present and does not turn in the assignment and it will be calculated as a zero.

Reassessment

Any student who receives a failing grade on a summative assessment may be given an opportunity for additional instruction and reassessment provided that the student has participated in class, completed assignments, demonstrated evidence of best effort on the assessment, and has completed all teacher requirements necessary to be allowed a reassessment.

Make-up Work

Students should make up excused absence work in a timely manner relevant to the length and complexity of the assignment missed. The teacher will provide reasonable and flexible deadlines that take into consideration a student's individual circumstances. After a set period, the work will be considered late.

Extra Credit

Extra credit shall be used sparingly and purposefully as an opportunity for further learning.
