Text to

Connect

## WHAT IS TEXT TO CONNECT?

We know you're busy! That's why our licensed Parent Educators want to connect with you in an easy and digestible manner to help get your child ready for Kindergarten - through your phone! Each week, you will receive fun facts and easy tips that will help you support your child's social and emotional development.

## WHY SHOULD I SIGN UP?

Research has shown that a child's level of social skills, attention and approach to learning when they start school are the best predictors of their future ability to manage their behavior and make friends.

## HOW DO I SIGN UP?

Signing up is easy! Simply text **@97ka9ba** to **81010** to automatically enroll in the program.

## WHEN DOES IT START?

4's preschool Text to Connect will start the beginning of October and run through the end of the school year.
