Class of 2021

Thursday, May 27, 2021, 8:00 AM
Douglas County High School
Dear Senior Class of 2021:

You finally made it! Your parents finally made it! Look what a difference four years can make! Do you remember in 9th grade “Scream” the TV series being filmed at DCHS? Do you remember the abrupt end to the 19-20 school year? I mean, “wow,” what a time to graduate! COVID-19 has created an entirely different world from Fall of your Junior Year to now. As the world goes back to “pre-COVID” times, remember the small things we used to take for granted … Family, Fun, and Fellowship. Do not lose sight of those things in or out of the COVID pandemic.

It has been an absolute pleasure and an honor to serve you all through the good times, bad times and uncertain times. I have watched you all grow from scared, immature young teenagers to mature young adults that are ready to take on the world. I want you to remember the main goal of high school is to learn, grow and graduate. Of course, on the way, we know/hope you have learned a lot, been challenged, become a critical thinker, made friends, got involved, competed and grew. Graduating from DCHS sets you up to have options after high school and to make a decision of which way you want your life to go. I do not care if you go to a two- or four- year college, learn a trade, go to the military, or simply go to work. What I care about is that you to have the opportunity to change your life and change or improve your situation.

Think about all the classes that you have taken and all the teachers that set out to impact your life. Every day you have spent here at DCHS has impacted our lives, just like we impacted yours. I hope you feel you have left your mark on DCHS in a positive way. As you think about that, it is not how you start something, but the most important portion is that you FINISH STRONG!

Remember – like high school, life is a journey, so

1. Take it one step at a time.
2. Roll with the punches and DO NOT make excuses.
3. No matter what you do, do your best and give it your all.
4. Do the right things at all times.
5. Think through situations.
6. Serve your community.
7. Spend valuable time with your family.

After high school, there are no bells that will ring; there are no morning announcements; no one will tell you to go to school; and no one will tell you to go to work. You are now an adult, and the decisions you make can and will affect the rest of your life. Remember – I believe in you; you are important; and you are definitely capable of changing the world.

I love you all, and remember, Once a Tiger, Always a Tiger! Make DCHS proud as you go forth and allow us to celebrate your accomplishments with you, so keep in touch!

Sincerely,

Andre Weaver
Principal at Douglas County High School

At the conclusion of the program, we ask guests to remain seated until the graduates have left the field. For the health and safety of everyone, please do not congregate on the school campus after the ceremony.

Dear Class of 2021 Graduates, Family and Friends:

On behalf of Douglas County School System teachers, administrators, and our Board of Education, I welcome each of you to the commencement ceremony for the Class of 2021. Graduation is the most exciting time in the life of a school system. The teachers, administrators and Board of Education members join you in celebrating the success of the Class of 2021. Together, we celebrate the commitment we have made to setting high expectations for students. This commitment has fully prepared our graduates with the tools they need to achieve a powerful future.

Graduates, we hope that during your education you embraced being part of an educational community that cares deeply about you. This community shares an unwavering commitment and passion for inspiring greatness in every student. Whether you plan to go to college, technical school, the military, or straight into the workforce, your teachers have taught and instilled values that will help you forge your own pathway to success.

There are many traditions that make the last two years of high school special that you have missed, but you have grown stronger during this trying season, even if you do not know it yet. It may be little comfort for you today, but years from now, you will reflect on your last years of high school and have quite a story to tell of living through a global health crisis. The coronavirus pandemic is world history that you are living through – but it is also simply a season in your life, and seasons change. This season is one of many comprising your high school career, with all of them preparing you for adulthood. As you enter adulthood, I wish you happiness, good health and success.

Parents and families, thank you for entrusting your children in our care. Our educational community is dedicated to preparing students for success, but it takes a partnership. Your support of our efforts helps us better serve students and prepare them for a successful future. My hope is that together we have produced young adults who will lead and serve with honesty, integrity, respect and compassion.

Thank you for joining us as we celebrate the Class of 2021! Congratulations, graduates!

Sincerely,

Trent North
Superintendent
Congratulations
