**Navigating the Digital Classroom – REGISTER NOW!**

In this introductory class you will learn the basics of the core apps used by all Douglas County students, from the DCSS Portal and Google Apps to parent-specific resources available online. This 1-hour course is designed to familiarize participants with the student digital workspace, as well as help parents/guardians better assist younger students with the current technology.

**Available Sessions:**
- Tuesday, 3/23/21, 10:00 – 11:00am
- Thursday, 3/25/21, 6:00 – 7:00pm
- Tuesday, 4/13/21, 6:00 – 7:00pm
- Thursday, 4/15/21, 10:00 – 11:00am

**PART 2**  
**Targeting Student Success Through Technology – REGISTER NOW!**

Designed for those familiar with the digital classroom, this course helps parents harness the power of technology to better partner with students and teachers to achieve success both inside and outside of the classroom. Going beyond the basic use of online apps, this 1-hour session focuses on the challenges of advanced pupils as they learn about time management and setting priorities while helping parents effectively communicate with their students.

**Available Sessions:**
- Tuesday, 3/30/21, 10:00 – 11:00am
- Thursday, 4/1/21, 6:00 – 7:00pm
- Tuesday, 4/20/21, 6:00 – 7:00pm
- Thursday, 4/22/21, 10:00 – 11:00am
