First Grade Inclement Weather Plans

Day 1:
- Read a book and write a story to retell what you read. Make sure that you use transitional words in your story (first, next, and last).
- Make fact families (two addition equations and two subtraction equations) using the following numbers:
  - 5, 9, 4
  - 12, 5, 7
  - 3, 5, 8
  - 5, 6, 11

Day 2:
- Read a fiction book and write the story elements (characters, setting, problem, and solution).
- Count to 120 by ones and by tens. (two times)
  - 1st time in a whisper voice
  - 2nd time doing jumping jacks.

Day 3:
- Read a book of your choice. Find all of the words that have the diagraph sh.
- Write as many facts (equations) as you can that equal 10 (example: 6+4=10)
- Write a story about what you did today. Your story should include a topic sentence (beginning), at least 3 details, and a conclusion.
