

At a Special Called Meeting last night, Edgefield County School District (ECSD) Board members approved the district's recommendation to return to Hybrid Instructional Models for all schools beginning on Monday, February 1. Full Remote Learning will remain an option for parents who prefer their children not attend school in-person.

More detailed information specific to your child was sent out via email on Wednesday, January 27, 2021. It will also be included with your child's report card, which is set to be mailed Thursday, January 28, 2021. Sample letters can be found below

As always, thank you for your patience and continued support of Edgefield County Schools!
