Date: August 4, 2021

Dear Parents/Guardians and Staff,

Please find attached our [Referendum Video Update #6 \(Year 2\)](#) discussing the incredible progress made over the summer. The district's referendum projects continue to be on schedule and we look forward to the opening of school on September 13th. Please also visit our district's [Referendum Website](#) to review previous videos, pictures, updates, and further information.

As the opening of the school year approaches and further guidance is expected from the State, the district has taken a proactive approach and is prepared for multiple scenarios; therefore, communication regarding health/operating procedures will be communicated to you shortly based on the anticipated guidance from the State.

Additionally, we would like to welcome our new Pre-School/Kindergarten parents and parents new to the community to our Florham Park School "*family*".

I hope that you all are enjoying your summer with family and friends!

Sincerely,

Dr. Caponegro

Superintendent of Schools
