Summer Music Lessons – 2021

If your student is interested in taking summer music lessons, we can assist you! Summer music lessons are designed to provide specialized, one-on-one instruction with students. *These lessons are in no way required or tied to grades during the academic year.*

If you are interested, please contact Mr. Conti so that he can get your information to the appropriate instructor who will then contact you to set up a schedule and payment plan. Lessons are competitively priced at \$30 per half hour lesson.

All lessons will adhere to current CT Covid safety guidelines including spacing and appropriate PPE. Weather permitting, lessons take place outside.

Please note: **These lessons are not for incoming 5th grade band students.** However, if your child missed out on beginning band this year and would like to join band in 6th grade, this program will allow them to join their peers at the beginning of the school year.

Participating Staff:
