United Way of Cowlitz & Wahkiakum Counties is proud to provide:

Dolly Parton’s Imagination Library program
to children in Cowlitz and Wahkiakum Counties! The program offers Cowlitz or Wahkiakum resident children ages birth-5 years old, a brand new, age appropriate book every single month until their 5th birthday month. Books are delivered directly to the child’s home! Dolly Parton’s Imagination Library is considered a world-class program for childhood success and preparing children to enter Kindergarten ready! Data has shown participating children have higher Kindergarten Assessment scores than non-participants, and family engagement in reading is also higher. United Way’s Impact goal is to get 95% of children college or career ready in our communities and we are starting with our early learners kindergarten preparedness! Any family in Cowlitz or Wahkiakum Counties can sign up their children ages birth-five years old at www.cowlitzunitedway.org.

- Become a sponsor
- Share the information to all parents/guardians with eligible children
- Advocate for our early-learners and discuss the importance of reading to the community
