FOREWORD

We have endeavored to put our best into the Wakitan. Our work is done. We hope the result is worthy of the support you have given it; that in the future years you will turn through these pages with fond memories of Central in 1928-29.

Our goal has been to record, accurately and entertainingly, the aims and ideals, the activities and achievements of Central High School, and to foster the true spirit of loyalty among her beloved sons and daughters.

BOARD OF EDUCATION

J. S. Lucas  Mrs. H. W. Sandusky  Dr. J. M. Bell
N. S. Hillyard  Mrs. Ralph Douglas  O. A. Zollinger
In a few days the boys and girls who entered Central High School in 1925 will go out from her doors as young men and young women. If in their hearts have sunk deep some of the lessons she has tried to teach in these four years, they may lay claim to having gained something of an education while developing to manhood and womanhood. If their minds are a bit more alert, their sympathies a trifle deeper, their impulses more under control, their personal integrity more highly developed, their sense of courtesy quickened, then they have drunk from Central’s bowl of knowledge to good purpose and are better armored thereby for the struggle in their new fields of endeavor.

The class of 1929 has been a delight to Central while they have dwelt within her walls, and now that we are come to divergent paths, may they continue to delight her by keeping faith with her ideals, giving always earnest heed to her teachings lest haply they drift away. We shall hold in loving memory their years with us, and wherever their paths may lead these sons and daughters of Central High School, the love and affection of Central goes with them.

The Wakitan of 1929 was published by the Wakitan Board, who were selected by a committee from the Senior Class and elected by the Senior Class.

The book was sponsored by Miss Kathryn J. Stiles, Instructor in publications. The Art Classes, supervised by Miss Hester Robinson, and our Art Editor, Bohumir Vavra, are to be commended for the beautiful art work displayed in this book.

We have chosen the theme, "Loyalty," because it seemed especially appropriate as an expression of our devotion, while spending the last few years in "Old Central On the Hilltop."

Quill and Scroll society was founded at the University of Iowa April 10, 1926, as a non-secret honorary high school society. It was organized with the end in view of recognizing and rewarding ability and achievement in writing and other phases of journalistic work. To become a member, a student must be of junior or senior classification, must be in the upper third of his class, must have done outstanding work in writing, or in business management, must be recommended by the supervisor and must be approved by the national secretary-treasurer of the society. To this end a complete journalistic record must be sent to be approved by the national committee.

Miss Kathryn J. Stiles, our local advisor, was a recently elected state president of this society.
The Tower Club was the first honor society to be organized at Central. The society was begun in 1920, at which time there were but three members.

The requirements for membership are: the applicant at the beginning of his Senior year, or before, must have a total of 250 points to his credit, not more than 25 of these from activities. A Senior A must have a total of 325 points, with a minimum of 35 activity points, and a maximum of 70.

The society is purely honorary, bestowed as a marked distinction to those who are able to fulfill the requirements.

The Hi-Y Club this year had the good fortune to be able to send delegates to the Older Boys' Conference at Columbia, Mo. The new ideas they received at this conference have aided them greatly in reorganizing their club. Mr. C. C. Watson is their Y. M. C. A. advisor. They have been successful in every project they have undertaken this year.

The purpose of the Hi-Y Club is to create and maintain throughout school and community high standards of Christian leadership.

The Girls' Glee Club, under the direction of Miss Benlah Mae Bennett the first semester, and Mr. Harry E. Erickson the second semester, has had a most successful year.

They have appeared publicly many times; they have sung for prominent business clubs of St. Joseph and before several churches.

Since members for the Glee Club are selected by means of competitive tryouts, only the best vocal talent of the school is represented.

BOYS’ GLEE CLUB

Mr. Harry E. Erickson, Director; Charles Reid, Accompanist

The Boys’ Glee Club was organized last fall by means of tryouts. Only those with the most cultured voices were chosen.

The club has furnished many delightful entertainments for Central audiences, both as an individual organization and in conjunction with the Girls’ Glee Club.

Their excellent work in the all-school operetta, “Bells of Capistrano,” will long be remembered by Central’s patrons and students.

The Indians opened the 1928 season September 29, in Kansas City, where they defeated Northeast by the decisive score of 20-7. The losers displayed an excellent aerial attack, completing seven consecutive passes in the second quarter. This, however, was not enough to overcome the strong defensive and offensive play of Central. Shouse, Mason, Furse and Vavra accounted for the Hilltopper touchdowns. The team was in good early season form and, needless to say, this initial victory put great joy into the hearts of Centralites.

The next victim was Benton. The South Enders proved a stubborn foe, the team being one of the best they have had in several years. The game was a battle from beginning to end, and it was a spectacular pass, Shouse to Mason, that spelled a 6-0 victory for the Blue and White. A record-breaking crowd of about 2,500 persons attended and were on their feet all through the game.

On September 13, Liberty High presented a strong eleven and the best Central could do was to end the game in a scoreless tie. The Indians were within easy scoring distance several times but failed to come through with a touchdown. The offensive work of Shouse and Stuber was effective and Vavra played an excellent defensive game.

The City Championship was won on October 20, when the Blue and White overwhelmed Lafayette with a 39-7 score. Lafayette's lone touchdown was scored by Penny on a trick pass formation. Stuber, Mason, Shouse, Shroyer and Wertz were the main cogs in the Central offense.

Lawrence administered the first Central defeat of the season at the University of Kansas Stadium when they came out on the long end of a 16-6 score. After a series of passes, Shroyer to Stuber, and a two-yard gain by Wertz, Shroyer took the ball over for our only touchdown. The entire team played clean, hard football. Mason and Shouse were removed from the game because of injuries.

November 10 brought the game with Kansas City Central. The Blue Eagles from the down-river city were an outstanding aggregation and defeated us by a 32-12 score. The victors surpassed us in weight and experience. This was the only game of the season in which they were scored upon. It was only by heads-up football that their goal line was crossed.

On November 22 a fast game, interspersed with a few costly fumbles, was dropped to Cameron by a 13-0 score. The teams played on even terms and it was only by taking advantage of the breaks that Cameron was able to gain the verdict. Swartz and Cronkite were the defensive stars.

The Blue and White closed the season on Thanksgiving Day with a glorious 18-0 victory over Omaha. The game was played in a sea of mud and placed a real test on the ability of the Hilltoppers. Several times Omaha was held for downs within a few yards of the Central goal line. Cronkite, Swartz, Wieland and Woodside starred on the defensive while Stuber, Shouse and Wertz bore the brunt of the offensive.

When the All-City eleven was chosen, Central was honored by the placing of seven men on the mythical team. Stuber was the unanimous choice for captain and quarterback; Mason was placed at left end; Shroyer, right half; Cronkite, left tackle; Swartz, left guard; Wertz, left half; and Wieland, right end.

It was only by steady, persistent plugging that these men won the distinction that is due an All-City team.

This was the second time in as many years that Stuber, Mason, Shroyer and Cronkite were picked as All-City material.

Central is proud of the spirit displayed by the Indians of 1928. Starting out the season with a team made up largely of in-experienced players, they won the majority of their games and showed the true Central fight and sportsmanship throughout every minute of play.

Central opened the season with a defeat at the hands of the Alumni, 35-9. The Indians were completely outclassed by former schoolmates who are now playing with college fives.

Next week Central held Gunnison to five free throws and succeeded in winning a hard-fought contest, 11-5.

Central won and lost in the following week's encounters. Avenging last year's defeat by Paseo, we defeated them by a 16-13 score, but were unable to solve Northeast, the Purple and White winning, 25-14.

Chillicothe was beaten in a walk, 24-14. The whole squad displayed its wares before a large crowd.

Returning to their early season form, the Indians downed the Lincoln Giants, 17-16, in a bitterly contested battle.

The following week K. C. East presented a strong team and came out on the long end of a 32-12 score.

On their first road trip the Indians added two more scalps to their belt, taking both K. C. Central and Atchison on for a trimming. The scores of these games were 20-18 and 31-17.

In a return game, Chillicothe avenged defeat on their own court by a score of 23-20. The Indians were without the services of two regulars, Barber and Mason.

Coming home with a crippled team, Central showed the old fighting spirit to trim an handicapped Lafayette quintet, 22-14.

The next week the dope bucket was upset when Benton took Central into camp to an 18-13 tune.

With a stinging defeat pounding on their ears, the Indians again administered punishment to Atchison, 29-17.

The city tournament brought forth the biggest upset of the season when Lafayette defeated the Hilltoppers in the first round, 11-5. Central was unable to score from the field. We won the consolation from C. B. H. S., however, 30-8.

Stuber and Wiehl were placed on the mythical All-City: Barber and Purse on the second team, and Mason received honorable mention.

The 1929 golf season at Central opened with a bang as Geiger and Farrell capped first honors at the Trenton Meet. Both played stellar golf to bring home a beautiful trophy.

A number of meets have been scheduled for the remainder of the season and the team should win a large majority of them.

**TEENIS**

The tennis season has not officially opened at the time the Wabitan goes to press, and it is uncertain as to who will team with Musser, the only letter man to return from last year. The prospects are good for a successful season.

Journalistic Activities

Central's publications deserve a great deal of credit and praise, we believe. So here's to 'em. The play to advertise the Wakitan was written by students and was indeed a success; a glimpse of it is shown in the two upper pictures and the right, above.

The Quill and Scroll initiation was unusually impressive, presided over by the spirit of Poetry, and made beautiful by the nymph-like dancers. The Quill and Scroll officers are shown to extreme left, and below, the members of the society.

A scene familiar to all who have been "back stage" is shown, left.
The Capers

Here comes the "Showboat!" And when it landed at Central the night of the Capers, a motley crew was aboard. The three dolls, two of which are human, the sailor and the gypsy each were presented on deck in the main auditorium. The Bowery "toughs" and the fortune tellers are staid Juniors in daylight, while the bandits, forsooth, are Girl Reserves. From the "Sidewalks of New York" a close scrutiny reveals the versatile journalism students. And as the height of sophistication we offer the "Follies" night club, gay revelers by night and sober Seniors by day.
LITTLE THEATER

Central, justly proud of her dramatics, this year produced several masterpieces. One, the “Bells of Capistrano,” rings again in memory when we see the group of solemn Indians in the upper left and the pretty flower girls standing around Marian and Nonceta in the upper right. And the sight of Professor Anderson’s class calls forth a hearty snicker. Our sympathy goes out to the love-lorn lads and lassies on the other side with nothing between them but “money, money, money.” And who wouldn’t wait awhile for any of the cowboys or for Billy, their leader? But as usual the lovers, Marian and Ramon, claim the center of the stage.

The smaller pictures are of the two Senior plays, the “Valliant” and “Jazz and Minnet.”
Here's How

"It goes like this" at Central—the art class, the "quiet, orderly" lunchroom, the efficient office force, and the benign Lincoln. And then, looking straight up the end stairway with curious students peeping down at you, some glimpses of the lower hall, and looking straight down the same stairway, another hall scene—and what have you?
Glimpses and Glimmers

That glow coming from the left of the page is partly due to the pep of the cheerleaders, and partly to the enthusiasm of the people leaving school. Perhaps it is also due to the beaming countenance of Miss Bart- hold, or the cheerful attitude of the queen. Certainly, the cheer that seems to echo in your ears is deserved by the basketball team. It may arise from the throngs on the bleachers. "Transportation at any cost" evidently is the motto in the car. The queen and her maids, above, the "queens" below, and the Caper Kid and Clown prove Central's claim to "royalty." Central's twins are seated in the lower right corner.
Varied Views

No, the picture in the upper left is not the "March Militaire," neither is the opposite corner "Two by Two," no matter how appropriate the titles would be. And "Louder and Funnier" would sound like sarcasm under the above picture. Three is not a crowd, judging from the pictures to right and left, "Huddles" on one side and class sponsors on the other. And we think four would be a fine number if it were as constant as the four in the lower left. Is the carload going to or from school? We ask you. Should we call out the law or is this merely one of those health examinations in the lower right corner? Anyway, there's no place like Central, for variety.
Central on the Hill

The abode of many spirits is Central—spirits of bygone students, climbing the stairs to knowledge, the spirit of Minerva, goddess of truth and learning, and the uplifting spirit of the tower. Lincoln's spirit looks down at us and near him, the wrestlers. The never-to-be-forgotten spirit of Oske-wow-wow lives in Central and in our hearts. We have shown the spirit of labor in our every day life. Down in the corner is the spirit of the physiology classes.
FOREWORD

Shakespeare has well said, "To thine own self be true and it must follow, as night the day, thou canst not then be false to any man."

Loyalty is one of the great qualities to be found in a true man or woman. Loyalty to a great purpose in life; loyalty to one's self, to one's home, to one's school, and to one's country.

The Freshman class, composed of about five hundred earnest boys and girls, has endeavored to formulate true ideals and a sincere respect for Central and her traditions. Regular assemblies have been held, at which the school orchestra has played. Home room and club programs have been greatly enjoyed and since all groups are well organized, much parliamentary drill has been practiced.

Central Annex has a strong faculty, composed of experienced teachers, and they have been faithful in the discharge of their duties as directors of Freshman life.

An operetta, "The Ghost of Lollypop Bay," which was presented on the evening of April 26, was the big event of the year. The operetta closed a very delightful and profitable year at Central Annex.

Freshman Student Council

MEMBERS:

The Freshman Student Council was inaugurated at Central Annex this year. Under the direction of Mr. Edson they have supervised many school activities. The most important thing undertaken by the council this year was the sale of favors on Color Day. The idea of student government is being very readily accepted at the Annex.

Freshman Girl Reserves

MEMBERS:

Helen McKeen, Dorothy McKeen, Yvonne Chattfield, Margaret Gould, Lauretta Pryor, Mary Ponger, Frances Parsons, Fanny Graham, Florence Sheckler, Virginia Kirkman, Dolores Pipes, Frankie Anderson, Louise Fogg, Ruth Hochman, Rebecca Trillo, Lyla Campbell, Virginia Obermier, Louise Borchardt, Katherine Storm, Russelle Heimburger, Dorothy Hines, Helen Postlewaite.

Although the Girl Reserve Club has a smaller membership this year than last, it has been just as active as ever. The Annex girls took an important part in the program given by all the Girl Reserves of the city during National Girl Reserve Week. There has been no high school sponsor for the club this year. Miss Lillian Vosloh, Girl Reserve secretary from the Y. W. C. A., has supervised the work of the Freshman club.

The Girl Reserve aim is: “To find and give the best.”
Freshman Hi-Y

MEMBERS:

The Freshman Hi-Y Club is one of the most powerful organizations at Central Annex. The theme studied for 1929 was "Problems of Older Boys." Athletic programs were presented each week, in which the majority of the club participated. The club sponsored pre-Easter services, which were probably the most successful undertaking during this year.

The officers of the club are:

Cecil Myer - - - - President
Tom Meler - - - - Vice-President
James Bradley - - - - Secretary
Paul Dieterich - - - - Treasurer
Freshman Athletics

A greater amount of interest was displayed in Freshman athletics this year with the result that two of the best Freshman teams in the city were presented by Coach MacKay.

The Annex put forth a strong football team. The squad, which numbered about twenty-five boys, furnished some excellent material from which to mold a traditional “fighting Central team.” The best football game played by the Freshmen was against Lafayette’s reserve team, the game ending in a tie. In the reserve tournament, however, they did not do so well for they finished in last place.

The Freshman basketball team tore through the season in a surprising fashion. They defeated the Benton reserves, a feat which our regular reserve team failed to accomplish, and finished in fourth place in the Junior City Basketball Tourney. The Annex may boast of one of the strongest Freshman teams ever seen on a court in this city. Their schedule included many out-of-town teams.

The Scotch laddies would make Harry Lauder jealous, wouldn't they? At the lower right is a picture of the cast of one of the most successful plays given this year.

Only a few typical scenes can be shown on one page, but these are quite well known to the students. Here are glimpses of the manual training class, and other familiar places.
LITTLE WOLF'S DIARY

September 10—Grandfather Oske-wow-wow gave me this diary for the record of this school year, one of the last in the old building. I shall try to keep an accurate account of life here. Although I shall probably be unable to write every day I resolve to write in this diary as often as possible, at least recording the most important events.—Little Wolf.

October 10—The Seniors entertained their mothers with a musical tea in the library today. The committee for decoration certainly did a good job. The girls who served wore darling dresses, so everyone said. The Juniors and Sophomores are now planning to follow in the footsteps of their "elders."

October 19—Miss Katherine Ann Disque was crowned football queen in the assembly program this morning. She looked lovely in her white satin dress, blue robe and sparkling crown. Miss Dorothy Preston was maid of honor and she, as well as the other maids, carried roses. The guards of honor wore full dress suits and lent dignity to the occasion. After the coronation Mr. Uts introduced the football boys to the student body, much to the interest and admiration of the little train leader, Mary Jane Dunean.

November 2—The Cupers went off with a bang. We saw the Show Boat and Tommy Raycroft as the captain. From the Goblin Grotto came many blood curdling shrieks. Lots of clapping came from the clever Senior stunt. Everyone had a grand time.

November 9—The journalism classes sponsored a mighty clever pep meeting tonight. Everyone is excited over the coming game with Kansas City Central. A huge bonfire was built on the campus and students were massed all around it. Between the speeches fireworks were set off from the terrace. Hot dogs and candy were sold. After the meeting broke up a snake dance was held in the down-town district.

November 23—Student representatives from Kansas, Nebraska and Missouri met in the library today for the Student Council conference. They decided to form an association which would meet every year. Central's own student president, Bohumir Vavra, was elected temporary president of the association. They attended the Sophomore play in the morning and had a luncheon at the Robleaux Hotel. In the afternoon there was a tea in the library. Central is proud of the fact that she inaugurated such an important movement.

November 29—Mud, rain, more mud. League Park was a lake. Our team battled Omaha Central in the midst of all that this afternoon. We defeated them 18-0. Perhaps our team could swim better.

December 7—"Daddy Long Legs" was, in the language of our fair sex, just perfect. The handsome Jervis, the lovely Judy, the adorably pretty Phyllis and the dashing Jimmie were all excellent—and the orphans were, to say the least, natural. The auditorium was crowded tonight and there probably will be a bigger crowd tomorrow night.

December 14—Today in auditorium, we had an Old English Christmas celebration. There were yule logs and a gaily dressed jester: mistletoe and lovely ladies; children playing before the open fireplace—and oh, I mustn't forget the carolers, boys and girls, dressed in brilliantly colored capes and jaunty caps, who came to sing for the English family. Then, after the celebration, all of the students left the Hilltop for their Christmas vacation.

January 25—The new semester started today. There are lots of new Central citizens running around the halls, blabbing on the same old questions and looking for the elevator. They surely add variety to the life here and bring new contrast to the upperclass men who were about overcome by exams. The class of '32 certainly bids fair to be an energetic one and we know it is an attractive one.

February 3—The Wakian board gave the assembly program today to advertise the annual. It showed the theme of the book in a three-act play, written by the board members. The scenery was good and the acting was well done. Loyalty to the Hilltop was the idea carried out. They showed the time when my family deserted the Hilltop for new hunting grounds, and I saw the graduating class from the present building was pictured, and in the last act the boy who impersonated me dreamed of the new school which will soon be built.
February 8.—The military boys put on a circus in the gym tonight. They gave all sorts of fancy drills and exhibitions, which certainly gave the school a good idea of the excellent training they receive. Under the command of Colonel Rex Shaver the whole group paraded about the floor. They showed the types of soldiers from Revolutionary days down. Many of the things they learn in addition to drills, such as boxing and fencing, were shown.

February 13.—This week the Seniors step into the limelight. Today they presented a miscellaneous program in assembly. They also presented a lovely gift to the school. The Seniors certainly do have their share of talent. Tomorrow they are to give "The Valiant," a one-act tragedy, and Friday, a one-act comedy, "Jazz and Minuet."

February 19.—In an impressive ceremony in the assembly this morning thirty-four Juniors and Seniors were initiated into the National Honor Society. The white dresses of the girls, the dark suits of the boys, and the blue stoles they all wore made a pretty picture. The service made the student body realize what it means to be taken into such a society.

March 19.—The Central High chapter of the Quill and Scroll initiated the new members today. The ceremony was unique in the society's history, and was planned and written by one of the members. The curtain rose with the goddess of poetry on the stage, who called upon the muses, harpist and singers to help in the initiation. The nymes were represented by two girls who gave a dance. The vows of membership were read by Frances Bruce, an alumnus of the club, and taken solemnly by the new members. The whole ceremony was most effective.

April 8.—The school honored its athletic letter winners with a banquet tonight. The director of athletics at M. U. was the main speaker and made an interesting talk. Mr. Matthews and three of the boys gave short talks. They were served a number of delicious things not on the training diet and in general had a very good time.

April 26.—The Student Council election was held today. The results have not been announced yet. George Stimber and Maurice Mason ran for president. Martha Lisenby, Ira Nelson and Homer Bowman ran for secretary. The halls were filled with placards and advertisements for the various candidates. Rivalry ran high and the school was a place of excitement.

April 27.—The class of '29 presented its play, "Is Zat So?" tonight. It surely was a good play. All the characters played their parts well. Humor, struggling at times with intense dramatic interest, ran all through the three acts. A large crowd attended tonight and the auditorium, they say, was packed last night.

May 2.—The Columbia contestants started off today. The whole bunch went in cars. They surely will have a good time and ought to bring back many honors. Among the entrants are the boys' quartet, musicians of various sorts, essayists, track team, chemists, linguists and journalists.

May 24.—Today all the students gathered in the auditorium to witness the formal recognition of those who have performed commendable feats for Central. Letters were given out for both scholastic and athletic awards; cups were presented and commissions in military were assigned. Central has ample reason to feel proud of her worthy sons and daughters.

May 28.—Senior Class Night was tonight. The program was very good, including the valedictory and salutatory speeches and a review of '29's four years at Central. All the girls wore white dresses and the boys wore dark suits, presenting a pleasing picture to the parents and friends.
