Lonnie, the sweet little girl! O.K. I hate. Well, now, the picture where you were trying to pitch horse—those were really perfect. No foolin' I shall go all through my life, looking at it. Arent you proud of me, kid? Now, that's swell. Well, Lonnie since we have been friends for four years or more, lets try to keep it that way for many years to come. And Lonnie, may you always be the wonderful little girl you are today and keep night and swingin' fast all your life just for me. Some day I shall probably hear you swing over the radio. WOULDN'T THAT BE THRILLING. Why sure, and honey always be loyal to the Vedi Voice.

A friend forever.

Mohikihi

Mohikihi is situated in the hills northeast of St. Joseph, Missouri. This land was the sacred land of the Indians. In all probabilities many boyhood consecrations were here offered to the Great Spirit.
The Indian Head

Many times Indians have passed through this ravine. They believed that this rock bore a remarkable likeness to Black Hawk, a great warrior-chieftain.
Luchetah's "Mourning Place"

Luchetah, who was taken away from her parents as a little child, grew to maidenhood in this land. Here she would come to mourn for her tribe and the loved ones of her childhood.

Singing Waters

This brook was one of the favorite haunts of Lechetah. The Indians called these lands Lanowa, taken from an Indian word meaning "Land of the road to Paradise."
Foreword

Like the young Indian braves of old, the students at Central are reaching the place where they will advance in the tribe and become the leaders of the community. As they grow older these tribesmen will experience many adventures and meet all types of people but never will they replace the cherished memories which linger in the hearts and souls of all the braves who have graduated from the "Central High School Tribe."

Thus the Central warriors ascend the steps for higher training, like the sturdy Indians of old who blazed their long winding trails to success.

CALLA EDINGTON VARNER
Our Chief of the Wakitan Tribe

Miss Varner, in gracing her position as Principal of Central High School, has won the confidence and friendship of every student, every member of the faculty, and every person associated with the school. On every occasion she admirably shows her rare ability to cope with every problem that confronts her. Guided by that same keenness, the students and faculty are able to progress, and assume new responsibilities to aid them in their work and other phases of school life.
Board of Education

The school board is the head council of all the tribes. This group is composed of the best chiefs of the city. Meetings are held on the second Monday of each month, or at special times called by the president, for the purpose of regulating the school system. Mr. G. D. Berry is president of the board and presides at the meetings; Mrs. True Davis is vice-president and becomes president in case of the resignation, absence or disability of the president; the records of board meetings, treasurer's warrants, and a register of the bonded indebtedness of the School District are kept by Mr. Tracy E. Dale, the secretary; the supervision of the funds relating to the school buildings and education are supervised by Mr. George U. Richmond, the treasurer; the chief engineer is Mr. Paul Lowry; the attorney, Mr. Alva F. Lindsay, is the legal adviser of the board, and the executive officer, Mr. I. E. Stutsman, is in charge of all the schools.

Isaac E. Stutsman
Superintendent of St. Joseph Schools

Mr. Isaac E. Stutsman, is the head of all the tribes in the land of Saint Joseph. He is one of the most representative chieftains in the tribe. His varied activities, his widespread interests, and his readiness to do all in his power for the youth of the tribe make him popular with all his acquaintances. Throughout his administration Mr. Stutsman has taken an active part in both state and national educational organizations.
Mr. George Blackwell

Mr. George Blackwell, sub-chief of the boys, is Vice-Principal of Central. He is a competent worker in his position as dean of boys and general adviser to all students. He is the sponsor of the Forum, Central's honorary social science club, and is a teacher of Economics and American Government.

Miss Louise Barthold

Miss Louise Barthold, sub-chief of the girls, is dean of girls at Central, and has many important duties in her office of sponsor of the Student Council. She is an able adviser in our Community Government. She is also a teacher of History.
Young Warrior's Legend

Many, many moons ago, before the coming of the white man, this great country was inhabited by the Indians. In a great valley surrounded by tall mountain ranges, in the wigwam of an aged chieftain, dwelt a youth.

During the day he would retire to the forest to learn the secrets and language of the woodlands. At night he sat by the wigwam of the aged father, to be counseled in the ways of man and of the tribe. Daily he grew in courage, wisdom, strength, endurance, speed and agility. His body and soul were fast reaching the highest type of physical and spiritual manhood. Strict temperance and self-denial were endured by him.

At length the time came that he should go forth from his life as a youth and begin a new epoch in his life. Having prepared himself for this undertaking and casting all influences he chose a far distant peak and started on his journey toward it. With a confident and happy stride the young brave started forth. For a while the path was smooth and wide, but later it became rough and narrow, and at times it seemed to be impassable.

The brave trudged bravely and courageously on, constantly loyal to the goal which he had set out to achieve. He reached other peaks and was tempted to abandon his journey. Persevering, he struggled on. Weakened, by the weary journey, yet he did not despair or become discouraged. When failure came he would rise again. Throughout his journey he applied the counsel and wisdom he had acquired during his period of training.

After great conflict and self-denial he reached his coveted goal. Standing motionless with uplifted arms he praised the Great Spirit. Then preparing his campfire he sealed himself and smiled upon the colored hues of the setting sun, symbolizing the fulfillment of a task well done.

So does the student of today prepare himself for the future by his school life under the guidance of teachers. He also selects some goal in his life toward which he struggles. Some fail, and becoming discouraged content themselves with smaller peaks. Others, like the young Indian, reach their coveted goal.

Student Council

THE Student Council of Central is the student representative governing body of the tribe. Under the leadership of Counselor Louise Barthold, they make suggestions for the laws by which we all abide. It is one of the most active and useful organization in the school. With Roy Tanner as chairman, it conducts a lost and found department where many lost articles are retrieved by their owners. The Book Exchange, under the direction of Bob James, buys and sells books for the students. Richard Addy and his assistants patrol the halls during the lunch periods, seeing that no one ventures into halls which is forbidden to him during that period. The Council supervised two very successful all-school dances in the gymnasium.
In the first semester, eight members of the Student Council attended the annual convention for High School Student Councils at Sedalia. Next year the meeting will be at Central, so the second semester Student Council has devoted all its energies to raising enough money to entertain the convention. They have sold magic slates and they sell concessions at school functions. The High School Community Association presented a play, “The Streets of New York,” and gave the proceeds to the convention fund. Members of the Council and other students worked at various downtown stores, turning over their salaries to the Student Council. They also made money by selling tickets for “Midsummer Night’s Dream,” which was shown at the Rivoli theatre.

TAKing leave of Chief Wakulan, the warriors, graduates of 1937, are prepared to battle with the issues of life after three most advantageous years at Central. Regretful that they must part and begin to blaze their own trails, this tribe of Indians has a mutual feeling of pride toward the administrating chieftains. This class has attained a high ranking and a most admirable record, not easily to be forgotten.

Miss Lucille Marechal and Miss Josephine Hennessy were chosen as sponsors, and under their efficient guidance this group of students achieved many honors.

During the Sophomore year the following officers were elected: President, Carl Goss; Vice-President, Nancy Seitz; Secretary, Foster Means; Treasurer, Bryce Harris. That year a most successful side show, "Betty Boop," was presented for the annual Capers. There were also many participants in the main show from this class. The Sophomore Tea was given in October in the school library for the parents. Two members received high honors in the coronation of the Football Queen. Miss Mary Martin was Maid of Honor, and Miss Janis Halliday, an attendant.

Having completed the first year so successfully, the class started confidently into the junior year, electing these students to office: Robert DeBord, President; Richard Hance, Vice-President; Billy Hillyard, Secretary, and Bryce Harris, Treasurer. The class was proud to say that one of its prominent members, Miss Emily Harpster, became the Football Queen, and another member, Miss Lucille Blanar, was an attendant. The presentation of "Police Follies of 1935," a clever side show, helped to make the annual Capers a success. Besides these untiring efforts to make their class outstanding, they were well-represented in the National Honor Society.

In the fall of 1936 these bold warriors became well-fledged upper classmen. Among their entertaining festivities were the Capers side show, "Why Carry Your Lunch?" and the Senior Week play, "The Show Up." A popular musical program was featured as a part of the activities of the week. True Davis and his orchestra were greeted enthusiastically. The highest honor in the Football Queen contest was won by one of its most popular members, Miss Virginia Gard. Others participating in the contest were: Miss Dorothy Rosenthal, Maid of Honor, and Florence Hochman, Betty Weddle, Carol Abercrombie and Elaine Mahan, attendants. To carry them through the last phase of school life, the class chose as officers: Hartmann Goetz, President; Billy Hillyard, Vice-President; Virginia Gard, Secretary; Donald McMachen, Treasurer. The exceptional Seniors were selected for membership in various organizations as the National Literary Society, Quill and Scroll, the National Honor Society, the Honorary French Club, and Brush and Pencil Club. In recognition of the services rendered them, the Class of '37 presented two plaques to Central which were placed in the school library.

Baccalaureate was held May 23, and Commencement Day, May 26. This brought these brave warriors to their destination after a long trail through these propitious years.

THE Junior Tribe began their second year at the reservation, Wakitan, with much enthusiasm. These papooses were always willing to help and did much under the able direction of the agents, Miss Vera Tilson and Miss Florise E. Peirson, who presided over the activities of the papooses.

During their first year as papooses, they chose the following to represent them at pow-wows: President, Billy Jones; Vice-President, Charles Richmond; Secretaries, Lorraine Stutsman and Harriet Hardman, and Treasurer, Donald Guinn. They presented the side show, “Top Hat Cabaret,” and surpassed the chiefs, warriors, and braves by selling more tickets than any other side show. Miss Martha Hartwig added honors to her class by being chosen Maid of Honor to the Football Queen.

After such guidance at councils and pow-wows, they accomplished even more in their second year in the village.

For big chief, they selected Charles Richmond. He has presided at numerous assemblies. He has served on the council every semester at Central. Charles commonly called “Sunny” is an active member of the Hi-Y and rates high scholastically. He was a member of the varsity football squad.

Donald Guinn was elected Vice-President. Last year he was Treasurer, and did a very good job. He has been sub-chief on the council every semester at Central.

Harriet Hardman, because of her faithful work last year, was re-elected Secretary. She has served on sub-council every semester at the assembly of papooses. She is quite active in various girls’ sports.

Her lovely voice has been heard on many of Central’s programs. Harriet has been a featured solo vocalist in the last two Caper’s main shows. She is a high-ranking student and this year became a National Honor Society member.

Bill Yount was elected Treasurer. He has been on the Student Council every semester while at Central, and is very interested and active in Hi-Y work.

Because they wanted an important part in the Chief’s council they elected the following sub-chiefs to serve the first three moons: Charles Richmond, Bill Yount, Harriet Hardman, Jimmy Hance, Patty Schwartz, Bill Jones, Lorraine Stutsman, and Donald Guinn. The same council remained the next three moons, but Jean Adams and Newton Hatfield joined the other papooses.

This group of papooses helped out this year at the annual celebration, the Capers. Their side show, “Swing Time,” was under the student direction of Paul Block, Ethel Hughes, Pearl Magoon, Bella Rose Wienshienk, Jeanne Brues, and Wilbur Shilling, chairman. Some of those who participated in the gala affair were: Jeanne Weil, Jean Lewis, Jack Galley, Virginia Lee Shoup, Harry McPherson, Geraldine Best, Elwyn DeVore, and Grant Driver.

This tribe showed up exceedingly well by the number eligible for membership to the National Honor Society. Those successful in reaching this much-sought-for goal were: Patty Schwartz, Maryle Mitchell, Clayton Thomas, David McKee, Bill Randall, Charles Richmond, Lorraine Stutsman, Martha Ellen Grandall, Paul Beauchamp, Helen Lee Hanson, Bill Abbott, Harriet Hardman, and Melvin Brocker.

Glimpses of Junior Tribe
(Continued from page 43)

This assembly of papooses not only contributed much toward the social activities of the tribe but they also did their part scholarly by placing twelve members on the semester high honor roll. They were: Paul Beauchamp, Mildred Blanar, Melvin Brocker, Allen Brohn, Harry Feltenstein, Jr., Harriet Hardman, Aida Kravick, Pearl Magoon, William Randall, Phyllis Sheehy, Clayton Thomas, and Bella Rose Wienshienk. There were also sixty-seven members on the semester low honor roll. These were: Fred Anderson, Donna Mae Andres, Jimmy Ashcraft, Yvonne Alterbury, Katherine Barnes, Dorothy Bayne, Jack Bidding, George Biltz, Frances Brahinsky, Jeanne Bruess, Dorothy L. Bundy, Lily Marie Carter, Margery Clayton, Martha E. Crandall, Virginia Crane, Helen Culver, Evagene Davis, Jimmie Donly, Paul Durst, Dale Ellis, Kermit Fatig, Franklin Fansher, Clarence Garder, Geraldine Grinspan, Helen Lee Hansen, Jack Hansman, Kenneth Harden, Martha Hartwig, Virginia Heckerson, Forrest Hobbs, Bob James, Geraldine Jeffers, Betty Johnson, Sidney King, Herbert Kligman, Delia Mae Lamb, Bill Lamborn, Selwyn Leibowitz, Joyce Lewis, Kathleen Lindsay, David McKee, Virginia McMindees, Helen Marsh, Maryle Mitchell, Bill Moser, Walter Myers, Nadien Nelson, Ben Petree, Charles Richmond, Patricia Roberts, Mertice Rose, Marjorie Rosen, Marie Schemmer, Edna Schneider, Patty Schwartz, Glenadene Sell, Mary Seufert, Wilbur Shilling, Betty Smalley, Alfred Stover, Lorraine Stitsman, Alene Touchier, Margaret Warren, Virginia Waswo, Donald Weber, Mildred Worman, and Everette Young.

The Junior assembly contributed much to the athletic standing of the village. Bill Litton, Bob Teller, Don Safris, Charles Richmond, Bill Collett, and Fred Eastbourne started the year by playing on the varsity football squad. Those who played on the basketball team were: Don Guinn, Joe Deatherage, Bill Litton, and Fred Eastbourn.

With the papooses excellent two years' start, it is hoped that next year as warriors, they will up-hold their already acquired good reputation.
THE Sophomores, the younger members of the tribe of Chief Wakiitan, displayed unusual ability in all fields during the school year, 1936-37. They have surely etched a prominent place for themselves in the history of the tribe.

First of all, they met together to choose their leaders. From the instructors, they chose Miss Hester DeNeen and Miss Henrietta Kivett. From among their own numbers, they selected P. J. Deem, President; Jess Henson, Vice-President; Margaret Gillett, Secretary, and Clyda Conrad, Treasurer.

To represent them in the Council for the first semester, the Sophomores sent Lawrence Robinson, Claude Funkhouser, Bob Koser, Eleanor Kerr, Mack Allaman, Dorothy Sandusky, Jean Adams, Newton Hatfield, Bob Stubber, Benny Grogg, Billy Vavra, Eldon Coffey, and James Cook.

Second semester Council members were: Caryl Potter, Norma June Klein, Bob Koser, Brown McDonald, Lawrence Robinson, Claude Funkhouser, Mack Allaman, Billy Vavra, Eleanor Kerr, J. B. Montgomery, Duane Spalsbury, Harold Hatfield, Earl Stark, and Dorothy Lee Low.

In the annual pow-wow, commonly called the Capers, the Sophomores presented a very fine show, "Rhythm On The Range". Those contributing to the skit were: Esther Lawrence, Eleanor Kerr, Alan Topping, Newton Hatfield, Bob Kieber, Harold Cole, June Caldwell, Margaret Gaddy, Mildred Peterson, Morris Trilinsky, Charles Canfield, Mary Ann Jones, Connie Engel, Franklin Fansher, Donald Hartsock, Norma Lee Sembler, Jack Sarno, Richard Weaver, Bill Wasserkrug, Ella Marie Bid- ding, Jean Adams, Margaret Gillett, Margaret Lee Beaty, Eugenia Stout, Johnny Abbot, Virginia Smey, Mary Ann Burks, Betty Jo Weisenhorn, Asa Moore, Madeline Chernicoff, Shirley Keller, Rose Louise King.

In athletics, the Sophomores competed successfully not only with fellow tribesmen, but also with those of other tribes. In football, six Sophomores received recognition from the tribe for outstanding work. These were Bill Collett, Roger Hicks, Martin Fischer, Bob Dankers, Bob Stubber, P. J. Deem. In basketball, P. J. Deem and Bob Stubber were instrumental in the winning of the city championship, and second place in the regional tournament.

The Sophomore papooses not only stood out in athletics but were also outstanding in scholarship. The Sophomores ranked second in the number of students on the semester honor roll.

Those who achieved the high honor roll were: Mary Ann Burks, Frank Buzard, Darlyne Horner, Norma June Klein, Ned Sheehy and George Yancy. On the low honor roll were: Mary Lee Allison, Kathryn Anderson, Jean Adams, Mack Allaman,

Papoosees Work Faithfully

(Continued from page 51)

As the school year drew to a close the Sophomores felt more and more certain of the time when they would take their places as braves, at the head of the tribe.
Best of luck to Harriet Hardman

From one of her many admirers

Bill Lambert
Edgar Ellis, Coach

During his first year at Central, Edgar Ellis, football and track coach, made a very impressive record. His football team placed second in the city league race. The track team of last year won the city championship, and the Liberty, Chillicothe, and Tarkio invitational meets. This was a very good record for Mr. Ellis as this was his first year as coach.

In his first year as football coach, Mr. Ellis also showed his coaching caliber. Starting out with players he had never instructed, he brought Central a second place in the city football race. In his first football season his team won five games and were set back only once. Last year after a year of coaching experience at Central, his football team won the city championship without a defeat. The team won eight contests and lost two. Mr. Ellis has also very ably assisted Mr. Stuber in coaching the basketball squad.

George Stuber, Coach

George Stuber who also was new at Central a year ago last fall has made a very able account of himself in his first two years as coach. George not only has made an impressive record as coach at Central but also made a very good record as a student at Central. He received nine letters in sports, and stood out scholastically as well. He was a member of the National Honor Society. After graduating from Central he attended the University of Missouri.

In his first year as basketball coach Mr. Stuber also faced the problem of teaching his players a new system of playing. His team won thirteen of their eighteen scheduled games. They also placed second in the Regional Tournament. This year with only two lettermen returning Mr. Stuber built up a very strong team. His team won sixteen contests and lost six this season, and also placed second in the Regional Tournament.

Marion Gibbins, Assistant Coach

Marion Gibbins is a former graduate of Central. Besides being an assistant coach in football, basketball, and track, he is head coach of golf and tennis. His teams this year worked out during their respective seasons and brought many new honors to the school. His tennis teams have won many meets, and his golf teams have done very well in tournament play.
Pow-wow

Out of the one hundred and fifty candidates who reported, Coach Ed Ellis had seven lettermen to form the nucleus of the 1936 edition of Central's football team. Hailing the return of tremendous group were Captain Pete Kariker, Ted Carle, Harold Carver, Carl Glenn, Harold Merritt, Jimmy Hill, and John Pec.

The 1936-37 season started with a 28 to 0 win at the expense of the Lafayette Indians. Although Carle scored, Coach Ed Ellis recognized the Indians gave an outside chance to win the Central completely bailed over the three opponents. The scored 41 points in intra-city competition against only six scored by the opposition. The first game against Lafayette was played in a field that once was the city stadium.

Carle scored twice and twice converted.

Football Review

Opening kick-off for a touchdown run, as Central disposed of Bement 28–0. Before the parade was over, Carver and Kariker scored long runs and passes. The Indians displayed a poor passing and running attack as Topeka was defeated 21–6. Participating in the touchdown parade were: Carver, Carle, Steffen, and素材 too.

E. Deem converted two extra points. The Indians in their defense of good ball handling even though the ground on which they were certain. On a day which was the exception of the season before the game between Central and Independence, Carl Glenn scored on a single reverse which ended in a 64-yard run. The ball was converted for the only touchdown. A strong, quick, and fast game caused the Indians to score only once, a safety.

Although out gaining the Lincoln boys 125 to 45, the Indians were able to win only one game in the season. Lincoln led from the first play on and on a fumbled ball recovered for the goal line, the work of Binger, Lincoln, and Deem and Kariker were in particular outstanding for the Indians.

Possibly the best game upon which the Indians strung their stuff, was at Topeka where they defeated the home town aggregation 36–0. Carle and Stuben

With only two lettermen back to form the nucleus of this year's edition of Central's basketball team, Coach Stuber faced the problem of assembling a team which would be as good as the previous one. The letterman, Captain Goetzke and Knapp, added by Deen, Litton, DeBell, Tanner, Schreiber, Eastbourn and Stuber, made up the championship team. Deatherage, Gillman and Hicks completed the varsity squad.

In the first game of the year, the Indians suffered their first defeat at the hands of Concepcion. Inability of the Warriors to see the ball, due to poor lighting, cost them the game, which ended 17-6. Schreiber got "hot" in the Powhattan game and hit 5 baskets and lead the attack which ended in an 18-11 victory.

By winning two games from Lafayette and Christian Brothers in the city tournament, Central won the tournament title. The scores of these games were 25-19 and 14-13 respectively.

Central opened the season with a 26-21 win over Lafayette. Deen and Litton looked good in the victory. Topeka was the next victim, as they were defeated 26-21. Litton's last minute basket accounted for the 27-26 win over Benton. Revenge was sweet for Topeka as the Indians were defeated 17-19 in a slow, shiftless game. Central lost to C. B. by one point as Carver, opposing center, hit a game winning shot to give his team a 14-13 victory. With Goetzke and Deen hitting 9 points apiece, the team won from Atchison 36-19. The Indians tucked Lafayette's scalp away for the third time to the tune of 27-16 as Goetzke made 7 points to lead scoring. With Debell starring, Central avenged a future defeat by taking C. B. by a score of 26-17.

Coach Stuber's young men clinched their second city title of the current season as they met and defeated Benton's Cardinals 21-15. Deen was "hot" for the only time this year as he hit 6 field goals and a free toss to take scoring honors with 12 counters. Central lost to the best team they faced all season as the Maryville Spoofhounds held them to one lone fielder by Tanner. Conception journeyed here and was defeated 21-15. The scoring was divided among six players as the Indians made up for a first game defeat. Five seniors started their last game in the Atchison melee and came through with a win, 28-17.

Lafayette was Central's first round opponent and the Indians took their measure for the fourth straight time. Central's second round opponent was Mound City, whom the Indians defeated 28-14. DeBell scored 9 points to pace scorers. New Point was tough the first half but wilted under the pressure the second and was measured 36-12. In the grand final Maryville, who later continued on to the state championship, again took the redskins by a score of 32-19. Deen was high scorer for Central with 9.

Central's record was 16 wins compared to 6 losses. Deen lead the scorers with 19 points, followed by Goetzke with 83, Goetzke, Knapp, DeBell, Tanner, Schreiber, Eastbourn, Deen and Litton received their basketball letters. Hartman, Goetzke and P. J. Deen made the official all city basketball team.

Soccer

Lots of fun and a game that's really worth playing—that's soccer. If you go in for real competition and good cooperation you should enjoy this sport.

Senior 1, captained by Mary Ellen Waller, played exceptionally well throughout the season, winning the tournament. Sophomore 10 was the runner-up.

Hockey

Hockey was one of the sports that was played only in the classes and enjoyed this year at Central. New shin guards added to the pleasure of the game.
Volleyball

Volleyball is that sport that every one loves to play, not too strenuous and lots of fun. Approximately 381 girls came out for the sport this year.

Imogene Pipes, captain of Sophomore 6, lead her team to victory, scoring 15 to 6 in defeating Junior 5.

Baseball

The Juniors were winners of another tournament this year, the baseball tournament.

Baseball is one of those sports that is played out-of-doors and therefore is especially popular.

Senior 2 was the winner of the tournament this year, defeating Sophomore 6, 22 to 7. Dorothy Jean Bayne was the manager of baseball.
Basketball

Basketball proved to be one of the most popular sports this year at Central. A five weeks tournament was held in which thirty-one teams participated.

The finals were played before a special girls' assembly between Junior 2 and Junior 5. Junior 2, captained by Helen Helmer, was victorious, winning 17 to 7.

To my candidate for the sweetest, best-looking girl I've ever met:

Here's wishing you all the luck in the world and hoping you find a good looking, loving, rich husband. Believe me, I'd always remembered you for your sweet disposition and charming personality, to say nothing of your dancing ability and golden voice. Don't forget you're still a prima donna and a Nightingale as far as I'm concerned.

Truly, if I had the money, ability and looks, I'd be tempted to try to become your campaign manager for life. After this, whenever I hear the song "I Love You Truly," I'll think of you and all the happy times we spent together. "Will you remember me?"

I sure hope so. I'll tell or write some more Thursday. Always your friend if nothing more.

Shield and Spear

This department of the military unit of Central has proved itself worthy to be a part of the Waki-tan tribe. The team is captained by Lieutenant Carlos Bonham. Captain Bonham and Cadet Lieutenant Colonel Jack Koser, had the honor of representing Central in the matches held at the Kemper Military Academy.

The team competed in following matches: City match, in which they placed second; the Corps Area match, in which Central placed ninth among twenty-three schools; the Wentworth match, and Hearst trophy match.

Members of this year's team include: Bob Koser, Ray Dreher, Jolce Porter, Victor Ghera, Fred Taylor, Dee Wyatt, Eddie Hubka, Harry Gillett, Robert Steffens, George Vineyard, Carlos Bonham and Jack Koser.

Rifle Team

This military honor society was first organized at Central in 1930. At that time there were only five members. The club this semester has thirty-five members. On the emblem of the society are engraved the letters, A. S. C. These letters signify life’s most essential qualifications: Ability, Service, and Character.

A candidate for membership must have at least a medium average, and must be outstanding in his R. O. T. C. work. The club is under the sponsorship of Sergeant Jewell McCroskey.

The officers for the first semester were: Charles F. Wurtzler, Commander; Donald Pack, Vice-Commander; Deane Wiley, Chaplain; Jack Koser, Adjutant; Jack Conklin, Sergeant-at-Arms.

Chemistry—When it is experiment day in Chemistry everyone has a job and by doing his own work learns valuable facts.

Physics—Electrical demonstration performed by the instructor is of great interest to all.

Biology—Study plays an important part in the life of a Biology student.

Natural Science

Probably when the Indians first settled here the things that they looked upon with most amazement was undoubtedly the mystery of nature. They believed that everything was governed by a certain God. God of the Sea, of Moon and Stars and Mountains were just a few of the many symbols.

However, in the Central class rooms the modern Indian bases all of his ideas on facts learned from experiments. Physics, which is a study of inanimate objects and their behavior under certain conditions, teaches him that regardless of how a substance is heated or cooled the basic substance never changes. The subject is usually confined to Juniors and Seniors as one needs a greater preparation to study this subject. The Indians might learn about mechanics and the properties of matter, heat, magnetism, and electricity, sound and light. Chemistry is a study of the characteristics of chemicals and gases and their relationship to each other. Biology may be studied by the student for a period of three years. It deals with the origin, make-up, usefulness and history of vegetables and animals. Our knowledge of the natural phenomena about us has advanced a great deal in the past twenty-five years.

Languages

No Indian may consider himself fully educated until he has become acquainted with the speech and customs of a foreign country. Central offers to her students three languages: French, Latin and Spanish. Latin, as the basic or mother language, is presented first. The orderliness of the grammar, the basic value of the word study, the references to mythology, the beautifully expressed content of the selections read, gives to the student a valuable knowledge. The aims of the Spanish courses are to give the students the ability to read Spanish, to express simple ideas in Spanish, and also to develop in the students a greater understanding of the life and customs of the Spanish speaking people, thus promoting a greater feeling of friendship. In French the aims are similar to those of the Spanish classes. The French students correspond with students in France who are taking English.
Lathe—With careful work this lamp will soon be a piece of woodwork of which one can well be proud.

Senate—Rise to a point of order. Work in the Senate is taken very seriously by the senators.

Typing—Future stenographers must have practice.

**Commerce**

For all Indians who intend to enter into the commercial world Central offers a complete selection of courses. Typing ranks first in the favor of students, next is shorthand which is followed by bookkeeping, comptometry, and office practice. All these are invaluable to the Indian not only in the future but at the present in everyday school life. In Typing he learns to be neat and systematic in writing. Shorthand deals with the putting of long hand into characters which will bring about rapid writing. Bookkeeping, comptometry, and office practice help to build a firm foundation for later business life.

**English**

The first year at Central the Indians are taught the basic rules by which to go if they wish to speak the language of the tribesmen fluently and accurately. The Indian learns to appreciate English and American Literature by studying classics. It is during these two Sophomore and Junior years that the papooses and bucks start their creative writing studies, writing in general and speech making.

Journalism trains their minds to act quickly and accurately. To do this they must employ their knowledge of grammar and writing. English seven and eight edits the Tower Gleams, the annual magazine publication, into which is put the best talents of the student in creative writing. Speech teaches them the correct pronunciation of words, enlarges the vocabulary, and informs them of the art of making a speech. Contemporary Literature acquaints them with modern authors.

Business English is an added feature of the English department. Future stenographers and accountants learn how to use English in the business world.

**Social Science**

The world and its affairs of today are given due time and consideration in the Central Indian’s Curriculum. In World History the Papooses learn of the world as a whole, of Medieval Knights and Kings, and of all the ages from the stone age to modern times. The Bucks study in United States History, their fatherland, of all the great American statesmen and generals. The braves, while taking Economics, learn of the relation of the world’s wealth to the world’s needs, the science of business. The study of our politically organized country is made in the American Government classes.
Music

To understand and appreciate music is a very valuable asset. With the idea in view Central offers several desirable courses: Mixed Chorus, Glee Clubs, Military Band, and General Orchestra. Mixed Chorus includes the well trained voices of both boys and girls. Boys Glee Club and Girls Glee Club are chosen by tryouts. In these classes preparation is made for public performances. Military band is conducted in conjunction with R. O. T. C. All students who play an orchestral instrument are included in General Orchestra.

Constructive Arts

To be well prepared for later life one must have a knowledge of constructive arts. Homemaking, clothing, foods, woodwork, and silverwork make up Central’s curriculum. Homemaking is the general study of everyday life and its problems. Some phases of the course are the selection and buying of food, the maintenance of health standards and practices, an understanding of personnel and time management, the division of home responsibilities, participation in recreation and social life of the community, and an appreciation and knowledge of family finances, how to spend wisely, the cost of family living, and how to get the most value out of one’s income. Clothing is offered to give the girls knowledge that will aid them in the choosing of materials and the construction of clothing. As it is becoming more and more common for women to buy their garments ready made, time is given to the selection of costumes to suit individual needs and types. The objectives of the Foods course are to stimulate skill in preparing nutritious and attractive meals, to develop the students standard of judgment and economy on the choice and purchase of food; and to give instruction and training in the observance of accepted forms of etiquette in relation to meals served to the family and guests. Wood work deals with the different kinds of woods and their treatments. Silverwork, a comparatively new course at Central, has been very well accepted.
Mechanical Drawing—Some more tedious work and these drawings will be completed.

Trigonometry—Using the telescope is something to remember.

Boys Tap—Heel, toe and a slide, yes, that’s right. Here are our future stars.

Mathematics

The curriculum of the Mathematics department includes Trigonometry, Algebra, Geometry, and Practical Mathematics. These courses are of great help to the Indians in future life for in all vocations some mathematics is necessary. Plane Geometry is given in the Sophomore year and is a course in correct thinking in which easy geometric facts and figures are used. Solid Geometry is the first semester of the senior year. It extends the field of geometric material to three dimensional spaces. Algebra three and four reviews and extends the material of Algebra given in the Junior High Schools. Many important topics are introduced. Practical Mathematics is a Sophomore course which includes the most practical applications of Algebra and Geometry. Trigonometry is the second semester of the senior year and is the culmination of all the other courses for it uses them all, and allows for actual application of theory.

Industrial Arts

No stage setting could be possible, no posters would be made, no signs printed, if it were not for our Art department. Service to the school is their motto and they carry it out to the letter. The various courses offered are: Color and Design, under which costume design and interior decoration is listed; Commercial Art which includes drawing and perspective, and as a separate course pottery and leatherwork. For the more versatile artist a three year Art Appreciation course is offered.

Physical Training

The young warriors have an excellent opportunity to learn what it means to be well disciplined by taking R. O. T. C. This military training course makes him more conscious of his country’s position among the powers of the earth.

Throughout the gym course he has more of a feeling of physical development. Many students specialize in either football, basketball, track, horse-shoe, archery, baseball, tennis, or golf. A Central “C” is a sure goal for the athletes. Tap has a special interest for boys as well as girls.

Debate Team

This year's debate team, coached by Marion Gibbins, has enjoyed one of the most successful seasons it has ever had. The team belongs to the National Forensic League and has entered many debates with other member teams. The season was opened by a non-decision debate with Atchison. In a non-elimination decision tournament held at Central, our team won first place, winning ten debates and losing only two. In an invitation meet at Springfield in which teams from several states competed, Central reached the quarter-finals. We were represented by two teams. Among our opponents were: Oklahoma City, Oklahoma; Miami, Kansas; Fayette, Missouri; Rogersville, Arkansas, and Coffeyville, Kansas. Coffeyville's team is considered one of the best high school teams in the country. George Vineyard and Dee Wyatt won the regional elimination match at Maryville. Sixteen schools competed in this tournament. In order to carry off first place honors our team defeated Plattsburg, Maryville College High, Excelsior Springs, and Parkville. The team plans to enter the state tournament at Columbia this spring.

The subject for high school debaters this year is: "Resolved that all electric utilities should be governmentally owned and operated."

Those receiving letters in debate are: George Vineyard, Dee Wyatt, Eleanor Stoerker, Meyer Leibowitz, Paul Block, Marjorie Rosen, Sam Davidson, and Stanley Dale.
Christmas Play

Members of the Central Tribe re-enacted the birth of the Christchild in "A Bed of Hay," the Christmas pageant. Jean Skoglund was the lovely Mary, Walter Meierhoffer, the faithful Joseph, Jack Koser, a kindly inn-keeper, HarrietMagnussen, a radiant angel, and Frank Buzard, the stable boy who gave up his bed of hay that Mary might rest. The Glee Clubs sang Christmas songs.

Thanksgiving Play

In keeping with the Indian theme, the familiar story of "The Courtship of Miles Standish," Indian fighter supreme, was presented at the Thanksgiving Day Program. Paul Beauchamp and Betty Clark played the parts of John Alden and Priscilla, with William Abbott as Miles Standish and Dorothy Bealls as Dame Hadley in the supporting roles.
Senior Week Play

"The Show-up" was given by four representatives of the Senior Class during Senior Week. Margaret Stringfellow and Ruth Marie Houx portrayed two actresses who trapped Sam Davidson, in the role of a murderer, into confessing. George Roth played the part of a police sergeant.

All School Play

Ancient peoples portrayed strange religious rituals of their gods, but Central's warriors prefer comedy such as Noel Coward's "I'll Leave It To You," which was presented by a talented all-school cast. It is the story of a family's mad scramble after their uncle's money.
Armistice Day Play

Set in the back woods between Russia and Austria, "Pawns" was a tense drama emphasizing the needlessness of war, showing that it is usually a petty quarrel between governments, making the common people pay for their selfish stubbornness.

Wakitan Play

The annual Wakitan Play, under the direction of the Wakitan Board, showed the students the variety of interesting material which would appear in the Wakitan. Many of Central's well-known Indians appeared in its skits, songs, and dances.
Throughout the year there are many pow-wows given around the council fire of the Central tribe. Some of the specific scenes are the Capers, the Thanksgiving Play, the Christmas Play, the Senior Play, the Wakitan Play, the All-School Play, and the various weekly auditorium programs.

Although it takes but a few hours to present the finished production there is much work required back stage. Even after the players have mastered their lines and actions there is still a great deal of work to be done by a group of young warriors better known as the stage crew. It is through their work and efforts that each of the productions are made a success. The stage crew for this year was made up of Everett Young, Billy Fenner, Pete Kariker, Bob Koser, Jimmie Hance and Robert Summers. They have as their chief, Mr. George Miller, who supervises the work to see that it is done right.

Closely connected with this line of work is the art department under the leadership of Miss Hester Robinson. Her classes are the makers of most of the scenery used in the various plays. After the settings have all been painted and met the approval of Miss Robinson they are released and sent to the stage crew.

Here another difficult phase of the work comes into contact with the stage crew. It is now their duty to so arrange the material that a quick, complete change can be made for each required scene. Each boy must work his part out to perfection so that the stage can be reset in record time. However, all of the stage crews’ duties are not confined to scenery and its replacement, as they must also care for the lighting effects. The house and foot lights can be operated from back stage but it is necessary to work the spot light from the booth. A member or two of the crew must stay in the booth during all performances and with a carefully planned schedule, focus the spotlight upon the right object at the right time. When the play is finished and the crowd has gone, the stage crew still has work to do. They must clear the stage, store the scenery, and make the platform ready for future use.

As the stage crews’ service is often forgotten by the audience, so is that work which is done by the art department.

JUNIOR SIDE SHOW

To the rollicking rhythm of a swing-time orchestra the Juniors presented their version of a big city night club. A bird’s eye of the main show for only five cents “swing time” really proved to be a popular side show of the evening. What with a graceful toe dancer, and sweet melody from a trio, together with an amusing master of ceremonies, it was one swell side show.

SOPHOMORE SIDE SHOW

The youngest members of our tribe took us away from the regular routine of life to the “wild west.” “Rhythm On The Range” featured an orchestra, a novelty song number, dancing and an accordion solo. This peppy side show drew large crowds throughout the entire evening. Its novelty of theme and cleverness greatly appealed to the public.

BIOLOGY SIDE SHOW

Everyone entered into the darkly lighted room. Lurking shadows and mystifying creatures behind sheets—and horrible experiments that turned into jokes—and this was the biology side show.

PHYSIOLOGY SIDE SHOW

Have your fortune told? Certainly! What could be more fun, especially when the fortune tellers are so young and attractive? The psychology class sponsored this extraordinarily clever side show, which dealt with the mystic and super-natural, and gave every one who attended such a thrilling time.

SENIOR SIDE SHOW

Laughter echoed from one side of the room to the other with an amusing skit given by the Senior braves of the Wigwam. There was a clever dance danced by a clever young lady and a real “blues song”. The orchestra played with the greatest of skill. In all, you got the “biggest” entertainment of the evening for a small sum.
Capers

MAIN SHOW

A greater “pow-wow” than ever before was held in the main tepee. This year’s main show drew all the important chiefs to witness the “Celestial Milkman,” the antics of his favorite horse, and a cute dance by his “Milk-maids.” Everyone enjoyed the realistic “Ballgame Dance” and skit, the “Man In The Moon” number, the scent of “Magnolias In The Moonlight,” and our brother Indians in the “Pale Moon” chorus. Central really “hit the sky” this year!

And everyone quaked in their boots when they heard the blood-curdling cries of Frankenstein.

BALL GAME SKIT

The scene for this was swiftly sailed back to the days of the gay ‘90’s. A ball game full of rhythm, with the “audience” joining in on a novelty tap dance was well received by our brothers. It’s things like this that make baseball such a popular sport.

MILK MAID CHORUS

How would you like to have these pretty maids deliver your milk to you each morn? Whether they can do that or not, can only be proved by those who live on the “Milky Way Highway,” but we can vouch for their ability to execute a clever tap dance in uninimitable way.

Gong!—Not Major Bowes program but a thrilling wrestling match. Smash!—Went the hurling bodies of the two, as they whirled through the air, and gong!—The fight ended.
**Girls' Glee Club**

Indians always used music to express their joy or sorrow. Their descendants at Central keep up this love of music. The Girls' Glee Club has long been active singing in many assemblies, special programs, and radio broadcasts. The fifty members of the group were under the direction of Miss Beulah Mae Bennett.

**Boys' Glee Club**

The Boys' Glee Club under the direction of Mr. Raymond Elliott has rendered many enjoyable programs to the warriors of Central. There are thirty members in this tribe. The chiefs of the group are: Paul Beauchamp, President; Roy Sommers, Vice-President; Hugh Graff, Secretary; Clarence Garder and Joe Barfield, Librarians.
Orchestra

The orchestra is a faithful group, never failing to sound its tom-toms at assemblies and special programs. Under the direction of Miss Beulah Mae Bennett, they learn many lovely selections with which they delight Central audiences.
1. Something to "Crowe" About.
2. Silly Sophomores.
3. Colonel Hitler.
4. The "Saxx."
5. Stay in Ranks.
7. In Place, Halt.
8. Hold It.
9. Waiting for a Street Car.
10. Good Mornin', Gals.
11. Posing for an Ad.
12. The "Eyes" Have Got It.
13. Gone With the Minter.
15. Around the Wheels.
16. That Scrappy Little "Mex."
Football Queen Coronation

During an unusually impressive ceremony, Miss Virginia Gard, an outstanding member of the Senior Class, was crowned Football Queen of Central High School by Bill Morton, President of the Student Body. Being queen signified Miss Gard’s loyalty to the school, and her willingness to assist it to the full extent of her ability.

Miss Gard marched down the aisle with all the dignity a queen could possess, to the strains of “Pomp and Circumstance,” played by the orchestra. She was preceded by her attendants, and the Maid of Honor.

Miss Dorothy Rosenthal, also a prominent member of the Senior Class, well deserved the honor bestowed upon her by attaining the position of Maid of Honor.

She chose as her pages: Misses Martha Hartwig and Janice Halliday.

The following football boys took part in the coronation, serving as guards to the queen and her attendants: Cone Johnson, Bob Teller, Ted Carle, Gene Steffens, Byron Dye, John Poe, Harold Culver, Ralph Cotter, Charles Richmond, and Buddy Adams.

During the ceremony, which was climaxd by the placing of the coveted crown upon the head of the queen the following musical selections were played: A trumpet sextet, composed of Billy Hillyard, Edward Hubka, Bette Jane Hurd, Dorothy Jean Bayne, Beldon Hamm, and Herbert Mueller played “Impromptu.” “Serenade” was played by a violin quartet consisting of Louise Brock, Morris Kessler, Virginia Readeour, and Russell Arnold. Dorothy Jean Nunn accompanied both the orchestra and the violin quartet.
Sponsor Major

Miss Virginia Adams, lovely and popular senior, served as sponsor major this year. Each Military Company nominated one Senior B girl, then the entire group voted on the candidates. Miss Jean Skoglund was second in number of votes to Miss Adams.

The duties of the Sponsor Major included attending all military functions which are banquets, parades and inspections. Miss Adams became an honorary member of the Shield and Spear Club upon her election.

Drill Platoon

This group of cadets was chosen by Sergeant J. A. McCroskey to display a military exhibition at the Central-Benton football game October 23, 1936. The platoon, under the command of Cadet Captain Charles F. Wurtzler, was composed of five squads of selected members of Company B, fourth period military class. Their drill was held as much a success as the victory gained by the Central warriors on the Gridiron.

Warriors Receive Recognition

Just as the honors which the Indian chieftains heaped upon their bravest warriors spurred all the braves on to greater effort, so the National Honor Society attempts to promote the growth of character, scholarship, leadership, and service among the students by rewarding those students who are outstanding in the portrayal of these ideals in their school life.

The candidates are judged by five things: The vote of all eligible students; their activities, determined by a point system; their scholastic average; the vote of the faculty; their character rating, and the vote of all present members of the society.

Fifteen per cent of the Senior A Class and five of the Junior A Class may be admitted to the society each semester.

The Central Chapter was founded in 1925. Miss Freda Neal is the present sponsor.

Officers for the first semester are: President, Bill Hillyard; Vice-President, Don McMachen; Secretary, Jayne Nicholas; Treasurer, Margaret Stringfellow. Officers for the second semester are: President, Dee Wyatt; Vice-President, Hartmann Goetze; Secretary, Virginia Adams, and Treasurer, Bill Morton.

Outlook Staff, First Semester

The Indians had the old systems of runners, smoke signals, and other methods to transmit important news of the tribe to the neighbors and the tribe's own members. Central has the Outlook, a weekly edition that was published by the Journalism Class during the first semester under the careful supervision of Miss Kathryn J. Stiles. The paper was rated the best in its division of papers from the schools of 1,000 and 1,500 attendance in the National Press Association contest, sponsored by Columbia University, New York City. It has always been recognized among the first papers of its class in the United States.

Outlook Staff, Second Semester

While the first semester staff was winning national honors for Central, the Journalism I class was putting out the Kaper Klapper, learning the technique of writing news stories, headlines, features, boxes, and studying the makeup of a paper. Thus they were able to take up the work of keeping all parts of the tribe in touch with one another.

Ten representatives went to Columbia to represent Central in the Missouri State Press Association Convention. For eight years the Central Outlook has ranked highest in the state.

Through the cooperation of the co-editors, the members of the class, and Miss Kathryn J. Slies, the sponsor, the second semester staff maintained the high standards of the Central Outlook.
Tower Gleams

Warrior's Literary Record

Dreamy-eyed bucks and maidens weaving tales from the firelight and shadow-earnest young Centralites striving to express themselves in writing—Tower Gleams, Central's literary magazine.

Tower Gleams is published annually by a special class which has been trained for two years for their task. This year two prizes were offered to incite more student entries. The contest for the best cover design was won by Mary Louise Karns, Elaine Mahan wrote the best short story, "White Night," the theme was "The Art of Living." The book seeks, not to define the art of living, but to give a kaleidoscopic view of life.

Each year "Tower Gleams" is entered in the National Scholastic Press Association and the Missouri State Press Association contests. Last year's magazine received All-American honors for the second time.

Other members of the class are: John Abbott, Nadine Cleveland, Bobby Gex, Emily Harpster, Jean Skoglund, Spencer Ray, Charles Ruby, Frank Wright, Dorothy Jean Nunn, Virginia Schulte, Madeline Fitzgerald, Wendall Beehgly, Ruth Hamm, Rose Gawenka, Charles Ruby, Leslie Briggs, and Bailey Deitchman. Miss Sarah C. Spencer is the faculty adviser.
Wakitan Board

Just as the Indians copied their historic events on the side of the wigwams in the juices of berries and perpetuated the tales told by the old men around a victorious campfire or smoky wigwam embers, so it was that a staff of talented scribes was designated to set down the events of Central High School in 1937.

This year the staff chose “Indian Trail” for their theme. They presented an advertising play, “The Wakitan Tribe.” They sponsored a contest in which several teams competed in selling Wakitans. The first semester Outlook Staff gave a banquet for the winners, Jayne Nicholas, Betty Clark, and Suzanne Voorhees, and the Wakitan Board.

The staff has worked hard to secure informal action pictures which are truly representative of the group shown.

Dear Harriet,

I don't think we really have been good friends but I do hope we can from now on?

For you are an ideal girl with personality, art and most of all a voice. Keep singing &
you'll get there.

Lots of love,

The Young Man
Dearest Harriet:

Even though we've never really chummed together, I love you just as much and in the same way. Remember all the swell times we've had playing basketball and other such activities. Also, remember Hal and Albert. Are we (you and I) still as connected as ever? Sure, we are!

Well, honey, keep on singing as you are wont to do! Even though I hate to say so, I may not be there next year, but if I am, let's still have the swell times of love and fun.

Lots of love and luck to my sweetest pal.

[Signature]

Dearest Harriet:

I will always remember you as the sweet, charming girl with that wonderful personality and voice. I hope our friendship will continue in the years to come. Remain just as nice as you are now.

Love,

Margaret

P.S. Remember to stay away from Condy Paul.
Dearest Harriet,

Don't life wonderful?

Keep up your sweet loyalty

to your school and friends.

Love your saiie Harriet don't
let anything happen to it.

Although my mind has
most of the time been
elsewhere - I still enjoy
my school.

Life can be cruel,
but you stay sweet!

If in distress don't

forget Ogie.

I'll always help

you.
