R. Schneider
The producer this year was Mr. G. L. Blackwell, Superintendent of Schools. As producer Mr. Blackwell has seen to it that the players and the supporting cast have done their share to make this a better and more successful play than ever before.

Mr. Blackwell taught social studies and served as assistant coach at Central from 1931 to 1938. In his latter year he went to Roosevelt, where he became principal. A few months later in March of 1939, he was transferred to the main office as business manager, a position he held until 1943, when he was made superintendent.

Mr. Blackwell thinks in terms of taxes, teachers and the welfare of St. Joseph’s young people.

As a hobby he prefers hunting and fishing above all other things.

Mr. Blackwell is assisted by the very able board in making decisions.

BOARD OF EDUCATION

Seated: Mrs. P. A. Knepper, Mr. Harry Herschman, Mrs. Clifford Adams, Mr. David W. Hopkins. Standing: Mr. George L. Blackwell, Mr. E. F. Garvey, Mr. W. Farleigh Enright, Mr. R. V. Blomfield.
Mr. Marion Gibbins

Since the play presented by Central first began its lengthy run in 1895, it has had many outstanding directors, but we feel that Mr. Marion Gibbins, our director for the past three years, is among the very best. His forward-looking and broad-minded ideas have done much to further the true ideas of peace and brotherhood towards our fellow men here at Central, and also in St. Joseph as a whole. He knows the intricacies of high school procedure well, and in applying this knowledge to his work at Central he has helped make it one of the finest high schools in Northwest Missouri.

Mr. Gibbins’ readiness to share a joke as well as a trouble with all who come in contact with him is an asset well appreciated by Central students, who feel they are genuinely lucky to have a person at their head who has a personal interest in each and every one of them.

Assistant Directors

Mr. Markley
Vice-Principal

The production is ably guided by our assistant director, Mr. Markley. He has carried on the extensive activities of the Booster Units, which started last year. This program helps the younger members of our group—the freshmen and sophomore boys.

Mr. Markley has won the respect and admiration of the students of Central and the citizens of St. Joseph because of his extensive activities with the young men who will be the leaders of our city and country.

Miss DeNeen
Dean of Girls

The production of 1947-48 has had a wise and interested assistant director in Miss DeNeen.

Miss DeNeen has capably sponsored the activities of the Student Council, and helped maintain the ideals and standards of Central.

The cast will always look up to Miss DeNeen for the guidance she has given.

The Senior Stars

Seated: Secretary, Pat Freeman; President, Jack Irvine; Counselor, Miss Vera Tilson. Standing: Mr. Dowell, Sponsor; Bud DeShon, Treasurer; Buddy Sembler, Vice-President.

As the final curtain is rung down in this continuous run, the 271 stars may look back on a successful year.

There have been many outstanding performances in sports, R. O. T. C., social and scholastic club, and journalistic projects. The hit of the year was the “Senior Minstrel Show,” put on by the stars to raise money for the school gift. The show was a huge success and will long be remembered as the colossal event of the year.

The star performers chose as their leaders: Jack Irvine, president; Buddy Sembler, vice-president; Pat Freeman, secretary; Bud DeShon, treasurer. To represent them on the student council the stars elected Harriet Bell, Barbara Coy, Jim Davis, Bud DeShon, Bill Eiman, Pat Kennedy, Pat Freeman, John Mitchell, Betty Reynolds, and Virginia Swisher.

The past four years on stage have been successful and victorious for the stars. It is felt that the experiences leading to the climax of their performance will help them to meet the drama of their coming life. It is hoped by the stars that they have left a goal and footsteps that may easily be followed by the stars to come in future years.

The able prompters who helped lead the stars to a successful performance were Miss Vera Tilson and Mr. Linus Dowell.

The Junior Supporting Cast

Seated: Miss McClanahan, Sponsor; Rosalie Meluney, Treasurer; Janet Beaven, Secretary. Standing: Miss Spangberg, Counselor; Miss Roberts, Sponsor; Don Tilton, President; Bill O'Brien, Vice-President.

The supporting cast have proved quite helpful and capable in the production of 1947-48. They have been active and have had good parts in many acts and scenes of this great play.

To head the supporting cast these people were chosen: Don Tilton, president; Bill O'Brien, vice-president; Janet Beaven, secretary; and Rosalie Meluney, treasurer. To help and represent them in student government the supporting cast elected nine very capable people: Janet Beaven, JoAnn Hardman, Roy Hoga, Gyra Kastner, Rosalie Meluney, Bill O'Brien, Ronnie Powell, Dorothy Ann Rutledge, and Don Tilton.

The stars feel sure that next year's cast will do well in helping Central maintain her high ideals and standards and when the curtain comes down on another production the supporting cast will have given a grand performance.

The supporting cast were prompted this year by their counselor, Miss Ruth Spangberg, and sponsors, Miss Lois McClanahan and Miss Jessie Roberts.

At the conclusion of this year's production there is a group of workers not to be overlooked. This group has proven itself to be capable and eager to learn. It is the Sophomore Understudies. The understudies have zealously entered into many scenes: athletics, dramatics clubs, Hi-Y's, Y-Teens, and Boosters. To head their job in the production they elected Dale Moore, president; Ray Calkins, vice-president; Barbara Cawley, secretary; and Dick Hopkins, treasurer. To represent them on the student council they chose: Dick Hopkins, JoAnn Isaacs, Charlene Jones, Nancy McClung, Charlene Rieman, Bill Roberts, Bill Sawyers, Barbara Seeber, Bill Wilson, Richard Wolter.

The understudies have been efficiently prompted by their counselor, Miss Neva Wallace, and their sponsors, Miss Bertha Rightmire and Miss Lucille Marechal.

The job for a member of a stage crew calls for energy and the desire to do a job well. The production of 1948 has had a faithful and truly energetic stage crew. These little people on the crew have given many laughs and fond memories to the other members of the cast. They have willingly gone out for sports, and the fellows have met freshman teams from other schools and many, many times have returned victorious. They have made their presence felt in the Booster Units, Hi-Y’s, Y-Teens, dramatics clubs, and many other organizations.

Elected to head the stage crew were: Dent Morriss, president; Buzzy Burnham, vice-president; Charles Corwin, secretary; and Gene Dawkins, treasurer. To represent them in student government the crew chose Joan Foster, Eleanor Hart, Nancy Hayes, Patsy Loutch, Marcia Randall, Gloria Richardson, and Von Wells.

The able prompters for the stage crew are Miss Marguerite Jones, counselor, and sponsors, Miss Veva Barber, Mr. John Gibson, Mr. Richard Taylor, and Miss Katherine Stiles.

National Honor Society

To be chosen as a member of the National Honor Society is one of the highest honors a student can receive while at Central. The four qualities the society is based upon—leadership, scholarship, character, and service—are very worthwhile, and because of the organization they are conspicuously placed before every student as he tries to gain admittance.

There are seventeen members in the chapter at Central, which has been here since 1925. These members include no more than 5 per cent of the junior class and no more than 15 per cent of the senior class, and these must be made up of the upper fourth of each class. Students are chosen by a faculty committee.

First semester officers were: Jack Irvine, president; Barbara White, vice-president; Pat Freeman, secretary; Bill Eiman, treasurer. Second semester officers were: Eleanor Bell, president; Bruce Caldwell, vice-president; Mary Lou Hammerli, secretary; Bill Eiman, treasurer.

Its faculty sponsor is Miss Freda Neal, and this chapter of the National Honor Society is proof of her fine guidance.

Forum Club

The Forum Club is an Honorary Social Science organization, and consists of thirty-five members.

Miss Ruth Spangberg is the sponsor of this organization. The club was founded in 1931 by Mr. Blackwell for the purpose of discussing the current events and problems of the world. It meets every other Thursday at the homes of the various members.

Qualifications for membership are: satisfactory passing of a current event test in the spring, an “S” average in Social Science courses while at Central, and a recommendation by a Social Science teacher, and is open to the sophomores and juniors who best meet these requirements.

The program of the Forum Club varies with outside speakers, debates, panel discussions, quiz programs, book reviews, etc.

The Forum Club has an annual Christmas party and a picnic in the spring.

BRUSH AND PENCIL CLUB

The Brush and Pencil Club was founded in 1928 to further the art interests of the members and to serve the school in any way possible. The club has indeed found many ways to give service. They make posters advertising games, decorate the stage for plays, and present an annual tea and art exhibit.

Members of Brush and Pencil are chosen on the quality of four drawings made in an hour. These drawings are graded by the members and the highest rated drawings secure memberships.

CAMERA CLUB

Bottom Row: Danny Williams, Margery Reno, Juanita Jones, Suzanne Harris, Mary Ann Perry, Danny Waye. Top Row: Elaine Walker, Harry Marker, Jim Ozenberger, Dick Cowell, Dola Blankenship, Carol Specter.

The Camera Club is a new organization here at Central. Its membership is open to anyone interested in photography. Mr. Perry is the faculty sponsor of the Camera Club. An assembly was presented by this group early this year.

Concert Choir

The Concert Choir is composed of 100 students, 75 of whom participated last year. The first semester project was Handel’s “Messiah,” and in the second semester the spring concert was given April 2, 1948. The choir group is a very select group and it is an honor to be in it.

Band

The band, consisting of forty students, has added much to the pep and enthusiasm of the students both at the games and at school. It has played for assembly programs and other school functions.

One of the most active organizations here at Central is the boys' "C" Club. They have made their existence felt in many phases of the production. In the second semester the "C" Club boys sponsored the annual all-school dance in the Central gym. At the annual St. Joseph Relays they again took over and were in charge of Central ticket sales. In order that they might have their spring banquet the fellows sold T-shirts and pencils.

Any boy who letters in sports at Central is eligible to be a member of the "C" Club. Second semester officers were: Walt Randall, president; Jack Brage, vice-president; Jack Irvine, secretary; George Beaumont, treasurer.

**GIRLS’ “C” CLUB**

The girls’ “C” Club is an honorary club and its main function is to promote good sportsmanship.

To become a member, four-year students must earn 1,600 points for a “C” letter, and 2,500 points for a “C” pin; a three-year student needs 1,100 points for her letter, and 2,000 points for her pin. She may earn these points by participating in the major and minor sports offered during the year. Some of the major sports, for which 100 points may be earned, are hockey, volleyball, basketball, bowling, baseball, and swimming. Ten points per game and ten additional for each game won are received for minor sports, a few of which are badminton, horse-shoes, ping pong, and tennis.

There are thirty-two members of the club and the sponsor is Miss Kathleen Kelly.

Central's production contained an act that will be contended by many as the favorite act in the production. It was the sports act. Central gave a fine performance in sports and this year will be remembered by many seniors as the outstanding sports year in their attendance at Central. In the opening game of the year with Westport Central came out on top with a score of 19-13. We then took on Hannibal and defeated them 20-6. The heartbreaker of the year was the postponed game with C. B. when Central lost, 0-6. The next four games saw us again on top. Lafayette, 25-0; Wentworth, 25-0; Olathe, 7-0; and William Chrisman, 21-0. We were defeated by N. K. C., 12-20, and then bounded back to push over Springfield, 13-0. The thriller of the season was the annual Thanksgiving tilt with Benton. Students saw their fellow classmates wearing the proud blue and white sweep over Benton with a final score of 13-0.

Student Council and Cabinet

After extensive campaigns, elaborate posters, and hilarious skits the officers of the Student Council are elected by the student body. Following the election the members of the cabinet are chosen from the senior class by the president.

At Central the Student Council has been and always will be considered a vital part of the school. Throughout the year they make themselves known to be necessary by the important works they do. Among the more important yearly jobs are: care of the building and the grounds, conducting locker clean-ups, operating the Lost and Found, operating the Book Exchange, compiling and presenting the Scholastic Honor Award, continuous effort in improving the student policies toward the school and community.

In the middle of the year the officers and some members of the cabinet made a trip to a high school in Kansas City, to see how other schools were organized and how active they were in student government. The report they gave on returning made the student body more fully appreciate the government we have at Central.

Two social events annually looked forward to by the Student Council are their annual dinner and spring picnic at Bean Lake.

BOOSTER ORGANIZATION

The Booster Units have proven themselves a vital part in this year's production here at Central. Organized for freshman and sophomore students, they proved an efficient outlet for information and advice to these underclassmen with their problems. On the other hand the Booster Unit enables the administration to meet the boys and to get acquainted with their personalities so that they may always be a help to the boys.

The Booster Council is made up of three seniors, three juniors, one sophomore, and one freshman. This council plans all the activities and meetings for the units. Each home room has two counselors, a senior and a junior, who make themselves known to be ready to give help and advice and lectures whenever the younger students show they need it.

All the boys who are on the council and who serve as counselors are chosen by Mr. George Markley, sponsor. The boys are outstanding in various activities and are chosen because they have proven themselves capable leaders.
Health Program

The Health Program here at Central has expanded greatly in the past few years. At the beginning of the school year hearing tests and eye tests were given to all freshman and sophomore students by Mrs. Lucille Fenner, school nurse. As another vital part of the Health Program, T.B. patch tests were given to every student.
