Scenes From School Life
Dear Larry,

It has really been swell knowing you all these years, but I think that we have had more fun this year than any before. I sure hope you get to enjoy your last year of high school. May these ideals be strengthened within our school, our country, and our world. May our footsteps be so guided that we may be able to assume our responsibilities in such a way that these ideals will continue to grow, and to spread throughout all countries. Then we can truly say, "It is a beautiful world." We will know, for we helped to make it so.

I know you will do a good job. Best of luck always.

Your friend,

Bern Smith
The guiding footsteps are led by Mr. George Blackwell, Superintendent of St. Joseph Public Schools, who was a former teacher of social studies and assistant coach at Central from 1931-38. Mr. Blackwell is ably assisted by the St. Joseph Board of Education which consists of six members.

Board of Education

Standing (left to right): Mr. Blackwell, Mr. Blomfield. Seated: Mr. E. F. Garvey, Mrs. Clifford Adams, Mr. Harry Herschman, Mrs. Paul Knepper, Mr. David Hopkins, Mr. W. Fairleigh Enright.
Mr. Marion Gibbins

Mr. Gibbins leads the march throughout the school year. As an able and efficient leader guides the direction and progress of any parade, so our principal guides the direction and progress of Central's students.

Mr. Gibbins has shown his outstanding ability as a leader during his four years as head of Central High School. Through the years he has proven himself willing and ready to help all the classes with their activities and projects. His cheerful and understanding personality has made him liked by both students and faculty. Although he wears no cocked hat or fancy uniform and brandishes no baton, he knows and directs the line of march we should follow.

He is very understanding and the students feel free to meet with him and discuss their problems. He is never too busy to listen and advise them concerning their difficulties. We of Central are fortunate in having this good friend to lead our parade.
Miss DeNeen  
Dean of Girls

This charming lady, our dean of girls, helps to keep us in step. It is Miss DeNeen whom our girls consult about their problems, and they have found her a helpful and understanding counselor. It is her duty to sponsor the Student Council, which she does wisely and efficiently. We are grateful for her guidance.

Colleges: Northwest Missouri State Teachers' College; University of Missouri.

Degrees: B. S. in Education; M. A.

Mr. Markley  
Vice-Principal

Keeping us in step is a task that is fully appreciated by very few. This is the job of Mr. Markley. He is the special friend of the boys and is acting sponsor of the Hi-Y clubs and the Booster Units. Although he has been at Central High School only three years, and vice-principal only two, he has gained many friends and has become an important part of our school organization. We value him highly.

Colleges: St. Joseph Junior College; University of Nebraska; Colorado A. and M.

Degrees: B. S.; M. A.
Office Force

The official business of Central is conducted by the office force, headed by Mrs. Betty Conroy and Mrs. Mary Reid. Under their capable and efficient guidance, the office assistants perform many helpful services. These include making up the absentee lists, delivering the notices, and helping in many other ways to keep our school running smoothly. All important business is transacted through the office, a place always buzzing with activity.

The echoing footsteps have left many accomplishments and achievements in their path during their four years at Central.

The class has excelled in sports, R.O.T.C., social and scholastic clubs, and journalistic projects. The outstanding event was the "Variety Show" put on to raise money for the school gift.

It is hoped that they have left a goal and footsteps which will serve as a guide for those who follow.

Their capable leaders this year are: Ronnie Powell, president; Bob Castle, vice-president; Jo Ann Hardman, secretary; and Webb Stevenson, treasurer. Their sponsors are Miss Jessie Roberts and Miss Neva Wallace.

The representatives to the Student Council are: Jo Ann Hardman, Susan Beck, John Boucher, Jennie Whitsell, Mary Lou Stubbs, Dola Blankenship, Ronnie Powell, Dorothy Rutledge, Carol Kramer, and Jo Ann Lytle.

Forty-eight
The smallest of the Central footsteps are those of the Freshmen. This fine class has done much to make Central proud. They have shown much interest in dramatics, sports, booster units, and student government. The Freshmen had a schedule of their own in football and basketball and proved themselves very capable in both sports.

Miss Veva Barber, Miss V. Marguerite Jones and Mrs. Warren Seyfert are their excellent sponsors and counselors.

The freshmen elected these officers to lead them in their initial year at Central: Dick DeShon, president; Shirley Miller, vice-president; Joyce Hamilton, secretary; Clark Hampton, treasurer.

The representatives on the Student Council are: Jean Crater, Dick DeShon, Clark Hampton, Bob Jones, Shirley Miller, Glenn Stephens, Don Stimble, Richard Tilton.

NATIONAL HONOR SOCIETY INITIATION CEREMONY

National Honor Society

Achieving membership in the National Honor Society is one of the greatest honors a student can receive at Central.

The members are chosen on the basis of leadership, scholarship, character, and service. Five per cent of the juniors and fifteen per cent of the seniors are admitted each year.

This year the first semester officers were Glen Kitzenberger, president; Fred Beihl, vice-president; Ann Brown, secretary; Jo Ann Hardman, treasurer. The second semester officers were Bob Castle, president; Dorothy Rutledge, vice-president; Jo Ann Hardman, secretary; Rosalie Melaney, treasurer.

The organization sponsors the Book Rental Service and the College Information Bureau.

Each spring the new members are formally initiated and honored at a banquet.

Forum Club

The Forum Club is an honorary social science organization consisting of thirty-six members. To gain entrance into this club one must pass a current event and general U. S. History test, have an average of “S” in social studies while at Central, and a recommendation of a social science teacher. The juniors and seniors who best meet the above requirements are eligible to join. The able sponsor of this club is Miss Spangberg. The programs consist of debates, panel discussions, book reviews, and outside speakers. The meetings are held every other Thursday at the members’ homes. The annual events are the Christmas party and the spring picnic.

Student Council and Cabinet

The true leaders and law makers of Central are the Student Council and Cabinet. After a strenuous campaign composed of skits and posters, the Student Council officials are elected by the student body. Following the election, the president appoints the members of the cabinet.

Among their most important jobs are: Care of the building and grounds, operating the Lost and Found, conducting locker clean-ups, compiling and presenting the Scholastic Honor Award, operating the Book Exchange, and this year the revising of the Student Council Constitution.

The two annual events of the Student Council are their annual dinner and spring picnic at Bean Lake.

The Council, which is the Booster Unit officers, is composed of three seniors, three juniors, two sophomores, and two freshmen. They were chosen by Mr. Markley for their leadership and ability. This group plans the activities and outings such as play night for the Booster Units.

Wakitan Staff

Every spring Central students look forward to receiving their annual copy of the Wakitan. When they finally see it, they see just the finished product without realizing the planning and preparation done by the Wakitan Staff, such as writing interesting copy, drawing layouts, taking pictures, and proofreading. Working on the Wakitan takes a great deal of time and effort, but it is time and effort well spent for a worthwhile and interesting project.

Quill and Scroll

The Quill and Scroll is the Central chapter of the international honorary society for high school journalists. The purpose is to advance the standards in the profession of journalism by developing better journalists and to promote accurate, clear, and forceful writing. To become a member is the highest honor that a journalism student may obtain.

The Concert Choir

Central's Concert Choir, under the direction of Mr. Marvin Gench, Jr., has rendered a great service to the school through its concerts and assembly programs. The Choir participated in many activities during the school year. This year, for the first time in recent years, the members of the choir presented an operetta, H. M. S. Pinafore, by Gilbert and Sullivan, which helped to finance the trip to Columbia this spring. The annual spring concert was given in April and was followed by the trip to Columbia for the state music contest. The Choir sang for many civic organizations including the Kiwanis Club and the Lions Club. One of the most outstanding concerts in which the Choir sang was the city-wide music festival held at the City Auditorium with all the high school choirs participating.

Tonye! Oh boy! I think my greatest pleasure this year was seeing
your pretty smiling face pushed against that second floor
window every morning. (probably ready to drop a book or my helmet
any minute) Too bad we didn't have any classes together this year. All
the teachers were lucky. But what happened to Miss McClanahan? Maybe
next year! (Yak! Yak! This is supposed to be a
friendly letter!) Until then.

Yours, Roberta Steel
This year Central’s R. O. T. C. was under the capable leadership of Sergeant Jewell McCrosky and Captain Francis Collins. The R. O. T. C. elected the following sponsors: Colonel, Susan Beck; Lieutenant Colonel, Dorisgene Hesselschwerdt; Majors, Jo Ann Hardman and Janet Beaven; Captains, Nancy Donelson and Barbara Cawley.

Four annual events that the R. O. T. C. held were: a banquet honoring the newly elected sponsors, the R. O. T. C. Ball held February 22 at the Naval Armory, the R. O. T. C. Review held March 31, and the city rifle match in which Central took the honors.

SCORING FOOTSTEPS SPORTS
Football

The Scoring Footsteps of the Indians have led our school to a highly successful season. One of the best teams produced in recent years emerged the winner of the Pony Express Conference with five wins against no losses in conference play. This was the first P. E. C. title won by Central. The Tribe was second in the city league race and had an impressive over-all record of six wins, one tie, and one loss. The team was coached by Maurice E. "Red" Wade, assisted by John Gibson.

The season was launched by a football jamboree held at the Park Board Stadium with all of the city schools participating. Central took second place honors. This was the first jamboree of this kind held in the city and it is hoped that it will become an annual event.

Bob Castle led the Tribe as captain and Richard Hesselschwerdt was elected to pilot next year's aggregation. Four members of the team were placed on the all-city team. They were Jerry Campbell, Bob Castle, Jerry Dancer, and Carl Chatfield also made the all-conference team.

Basketball Queen Coronation

The 1948-'49 basketball team ended a very successful season with 16 victories to 9 losses. In a pre-season tournament at William Jewell College, the Indians took second place. The Tribe took their first championship trophy of the year by winning the Christian Brothers Tournament.

Although the team got off to a slow start in the City League, they finished by tying with Lafayette for second place. Central then tied with Lafayette for the championship of the Pony Express Conference.

The Indians closed a successful season by winning the sub-regional tournament.

Returning Baseball Lettermen

Last year for the first time baseball was introduced as a minor sport. Interest was shown by the large group of boys that tried to get on the team. The schedule was shortened because of lack of funds. They played each of the following teams twice: North Kansas City, Smithville, and Atchison, Kansas. The team was coached by Howard Iba. Uniforms were furnished by the American Legion.

Any girl who has earned 100 points by participating in sports is eligible for membership in the G. A. A. Each year in the spring the girls who belong to the organization elect the officers and managers of the sports for the coming year. Dear Larry,

It has been swell knowing you after all these years. We've had some good times together, haven't we? Remember all those parties we used to go to.

You're one of the nicest guys I ever have known or ever hope to meet. You have gone far at Central and with your sparkling personality and friendliness — you can't miss.

I hope will always be best of friends. Good luck to you wherever you go, but I know you won't need it.
