Dedication

To Master Sergeant Jewell A. McCrosky, who has spent twenty years of praiseworthy service at Central, preparing young men for leadership in the service of their country, we the class of '52, proudly dedicate this issue of the Wakan.
Foreword

We, the Wakitan Board of 1951-1952, have endeavored to produce an improved Wakitan. Our work is done. It is our hope that the result is worthy of the support that you have given us throughout the school year.

To record as accurately as possible the aims, the ideals, the activities, and the achievements of Central has been our goal. In the years to come, we hope that this 1952 Wakitan will recall many fond memories of your school—Central High.

O Central High, dear Central High,
Our hearts shall ne'er forget.
The golden haze of student days
Is round about us yet.

Our love for Central through the years shall never die. How true! For deep within our hearts, O Central, we hold memories, priceless memories of high school days: never to be forgotten experiences, never to be forgotten friends, never to be forgotten achievements. In your classroom we gained knowledge; we developed hidden possibilities toward our school,
Our love for you so dear and true
Thru years shall never die.
There's hope and strife, there's joy and life
There's all in Central High.

our friends, and our community; and we came to appreciate the true meaning and value of good sportsmanship. In your clubs and organizations we found friendliness and good fellowship.

So now dear Central we bid farewell to you, our friend and our school.
Great Council

A school system must have a wise and capable leader. As that capable leader, Mr. George L. Blackwell, Superintendent of Schools, has worked hard to make a more progressive school system in St. Joseph.

From 1931 to 1938 Mr. Blackwell was a teacher of social studies and an assistant coach at Central High School. From Central he proceeded to Roosevelt School as principal, from which position he advanced to business manager in the main office of the school board. Mr. Blackwell held this position until he became superintendent of schools in 1943.

Mr. Blackwell is assisted by six outstanding citizens of the St. Joseph Board of Education.

SCHOOL BOARD

Seated: Mrs. John Wyeth, Harry C. Herschman, Mrs. Paul Knepper, Ray V. Blomfield.
It is well known that the most respected and most honored man of an Indian tribe is their leader, the Chief. The leader of an Indian tribe must be great and strong in character, for it is he who must guide his people wisely.

The same is true of our chief, Mr. Gibbins. During his eight years as principal, he has gained the respect, admiration, and confidence of both the students and faculty. He has proved himself a person very capable of leading his tribe wisely and carrying out the responsibilities and obligations that rest upon a person who holds that position. Because of his ready smile and sincere interest in the students, our chief will long be remembered.

The students of Central High are proud to claim this man their leader and chief for 1951 and 1952.
MISS STEEL

As adviser to girls, Miss Steel has earned well deserved recognition for being a very dependable Assistant Chief at Central. She is a helpful and understanding counselor who capably guides and patiently listens to the problems of the girls at Central. The students and faculty alike admire and respect her as a counselor and personal friend.

Under the direction of Miss Steel, the student council has done much to promote student integrity and leadership. This organization has successfully promoted Central's student government throughout the school year.

Miss Steel was a member of Forum Club, and a high ranking senior when she graduated from Central in 1945. She received her degree at Northwest Missouri State College at Maryville.

MR. WILSON

Although this is only Mr. Wilson's second year at Central, he has ably fulfilled his duties and obligations as one of Central's assistant chiefs. As vice-principal, he has proved himself to be a friend as well as a counselor to the students.

Mr. Wilson served in the infantry in the South Pacific during World War II. After his return from the Armed Forces, he went to Lafayette, where he taught mathematics and social science. From Lafayette he came to Central and was assigned the position of vice-principal.

To the boys at Central, Mr. Wilson is a friend as well as vice-principal. He has truly earned, from both students and faculty alike, the respect and admiration of Central High.
Runners

The best known and busiest place at Central is the main office where all the official business is transacted, and where problems that arise unexpectedly are handled wisely and quickly. Hour after hour, day after day, students come into the office to seek advice or to receive help. The office is under the expert guidance of Mrs. Mary Reid and Miss Lois Goodman, and their assistants, the office staff. Collecting absentee slips, delivering passes, and issuing leave permits are only part of their daily routine. Here are kept the past and the present files of the students at Central. This necessary school department can truly be called a co-operative group, serving the school at all times.

High Ranking Seniors

JACK KING
Jack King has excelled in every field he has entered at Central, not only in the field of scholarship but also in the fields of leadership, service and character. His leadership has been shown during his participation in the Student Council. This year he received his varsity letter in basketball. He was editor of the Outlook during the first semester and was a member of the Forum Club. His election to the National Honor Society in his junior year sums up his brilliant record of accomplishments.

JIM RILEY
Jim Riley is one who has earned the high esteem of all his classmates and teachers. He became a member of the Forum Club at the end of his sophomore year and was elected to the National Honor Society in his junior year. Through his work as president of the junior class and as a member of the Student Council, he has shown a true spirit of leadership and service. Jim was chairman of the ideals and ethics committee, which has done much to promote a high moral standard at Central. We will remember him as a young man with the ability to make right decisions.

JEAN RHODES
Jean Rhodes is a girl whom we are proud to have as a member of our class. She has attained an exceptional scholastic record and has been busy with extracurricular activities as well. She served as secretary of the National Honor Society to which she was chosen in her junior year. In her sophomore year she was elected to the Forum Club in which she held the position of secretary. Jean has attained popularity with both teachers and students.

KATHY SPRAGUE
Kathy Sprague has shown great talent in singing. She has appeared as soloist on our stage many times. Kathy served as secretary of the Forum Club to which she was chosen in her sophomore year. At the close of her junior year, she was given membership in the National Honor Society where she served as treasurer. These same high standards have been maintained in her classwork.

BLANCHE WHITE
Blanche White, the top ranking member of the senior class, has won established for herself the reputation of being an excellent student. Besides ranking high scholastically, Blanche has participated in many extra-curricular activities. She was a member of the Forum Club and the National Honor Society. As Senior Editor of the Waktan, Blanche has worked diligently to improve this year's edition. Her musical ability, as well as her scholastic achievements, is well known.

BOB WHITSELL
Bob WhitSELL is a very likeable fellow and a splendid student. His achievement in mathematics is outstanding. He has very capably served as president of the Forum Club and has also been accepted into the National Honor Society. His ability to get along with people will be a great asset to him in his chosen field of medicine.
We, the class of '52, must soon leave the halls of Central to enter our various chosen fields. From little-known freshmen, we have become seniors, who have set an enviable record of achievement. Goals, which we have set at different times, have been reached this year. An outstanding example of this is the Pop Inn. We began planning this project in our freshman year.

The senior class sponsored the Homecoming Parade, the first such parade in the history of Central. An enjoyable highlight of the year was our class variety show. This show, "Doin' What Comes Naturally," was written, cast, and directed entirely by members of the senior class. We are glad and proud not only that we have achieved extra-curricular goals, but that we have also set a high scholastic standard for those who follow us.

We have been ably represented in student government the past year by Joel Bennett, Kearby Cotter, Connie Cutler, Dick DeShon, Nancy Hilliard, Jack King, John Lawrence, Dan McKinnon, Jim Riley, Frank Russell, Janet Schwader, and Glenn Stephens.

Class of '53

"A big year and many tasks well done": this summarizes the activities of the junior class for the year 1951-1952. Chief among these activities and probably the most difficult is the Junior-Senior Prom, the arrangements for which are entirely in the hands of the junior class. Under the leadership of the officers, the juniors of 1951-52 hope to make this occasion a memorable one for their guests, the seniors.

The class of '53 has been well represented in Central's organizations and has taken an active part in the Student Council of which the following juniors were members: Sally Boucher, Grace Denton, Sondra Eierdanz, Jim Foley, Dave Hopkins, Ed Hull, Howard Miller, John Powell, Buddy Salanski, Ann Straub, Shirley Swisher, and Susie Williams.

Class of '54

The class of '54 has competently performed the duties and responsibilities placed upon it this year. Decorating the cafeteria is one of the main projects of the sophomore class. The class is to be commended for the manner in which it has performed this task.

The sophomores have participated in many of Central's activities and organizations, such as G. A. A., Hi-Y, and Y-Teens.

They elected the following students to represent them in the student council: Joan Butts, Gregg Croner, Danny Doan, Darla Ehlert, Dixie Francis, Jacklyn Foley, Sharon Jones, Sarah Keller, Gary Polsky, and Wayne Wells.

Class of '55

The class of '55 has had only a few opportunities to show the many talents and abilities it possesses. However, when it has been called upon to render service to the school, it has always been ready to lend a helping hand.

The most outstanding activity the freshmen have engaged in is the 301 Safety Squadron under the sponsorship of Mrs. Veva Tomlinson. The squadron has received publicity on a national scale by its campaign to promote pedestrian safety through distributing pamphlets and urging the signing of safe-walking pledges.

The following freshmen were chosen to represent their class in student government: LuRay Berger, Monty Burnham, Sam Esterkyn, Sharon Hart, Jerry McKinnon, Donna Lund, Betty Reynolds, and Cabray Wortley.

THE STUDENT COUNCIL

The Student Council is one of Central's busiest and most effective groups. It represents the entire student body. To promote student welfare and to carry out student wishes is the purpose of this organization. Besides helping to enforce the rules of the school, the Council cooperates with the faculty in every way possible, and upholds Central's honor in all her activities. The Student Council has indeed proved its value as an organization at Central.

This year the Council has sponsored many activities and accomplished much in the work of student government. Some of the various activities the Student Council has sponsored are: Supply Counter, Book Exchange, Lost and Found, Pop Inn, Football Queen Activities, Homecoming Parade, Color Day, Intra-City Student Council, and the Student Council State Convention.

The work of the Student Council is led by the following student body officers: Fred Cone, president; Bob Jones, vice-president; Joyce Hamilton, secretary; Juden Reed, treasurer.
