Foreword

Now as the crew drifts into port, we begin to reminisce on all the adventures we have had and the treasures we have gathered since first we embarked. At the beginning of our voyage, we had not as yet gotten our “sea legs” and were perhaps frightened by the long trip that lay ahead. As Father Time washed away the days, months and years, we became more accustomed to this new and different undertaking.

We now remember the blood, sweat, and tears we shed in keeping the ship afloat through the various storms, the laughter we shared in our leisure hours, and the pride we will always feel in being a member of such a fine crew. Four years of experience and knowledge are the golden treasures we have stored.

Soon we will be sailing new courses, meeting new shipmates, facing new storms and adventures, and searching for more treasures. However, one part of our minds will forever be filled with the memories acquired on the schooner Central.

As the crews of the Flagship Central High change year by year, many treasured memories will be recalled by all.

Faithful and gallant, our Flagship struggles to bring us to our destination of riches in knowledge and wisdom. Little do we realize now that

O Central High, dear Central High,
Our hearts shall ne'er forget.
The golden haze of student days
Is round about us yet.
some day we will look back on the treasures that we have gained at Central High.

Although the Flagship aids us, it alone could not survive without the constant and diligent work of her crews.

Thus, we realize the true merit of Central, for indeed it is our guide and stay for future years.

Our love for you, so dear and true
Thru years shall never die.
There's hope and strife, there's joy and life,
There's all in Central High.
From 1931 to 1938, Mr. Blackwell taught social studies and was assistant coach at Central. He then took on the duties of principal at Roosevelt High School. Soon he advanced to business manager in the main office of the school board. After serving successfully for several years in this capacity, he became Superintendent of Schools.

Board of Education

Mr. Blackwell is assisted by six distinguished members of the St. Joseph Board of Education, who help young people of St. Joseph prepare themselves to become leaders of our city and better citizens of tomorrow.
Time passes so very quickly. Those of you who entered only four short years ago will soon become Central Alumni. Paths which ran so close together will now diverge. Colleges, vocations, the armed forces, and marriage: these activities will soon absorb your full attention, carrying you to the four corners of the earth. Like the classes preceding you the Class of '55 will be widely scattered.

Nevertheless, Central High School is still a part of you, and you remain a part of Central High School. You become her representative wherever you are. May the training you received here prove adequate for your needs, and may your achievements reflect credit on your high school.

As you leave our halls you do not leave our memories. Our very best wishes go with you.
First Mates

GIRLS' ADVISER

To be the Dean of Girls, one must have patience, understanding, and a sense of humor. Mrs. Graham possesses all of these qualities. Her help and advice has won the trust, respect, and friendship of every girl at Central.

As sponsor of the Student Council and head of the Speech Department she is kept quite busy; but no matter how busy she may be, she always has time to lend an understanding and impartial ear to any student in trouble.

Mrs. Graham

VICE-PRINCIPAL

As Vice-Principal of Central, Mr. Markley works closely with the St. Joseph Board of Education in setting up the school budget and in managing finances. He also arranges all athletic events and schedules trips for the teams.

As adviser to the boys, he offers words of advice and encouragement which helps many students in working out solutions to their problems.

As disciplinarian, Mr. Markley must see that the school regulations are firmly enforced. He has truly earned the admiration and respect of the entire student body.

Mr. Markley
Cabin Boys

OFFICE

One of the busiest places in Central is the main office. From here come passes and permits. Here, too, all permanent records of present and past Centralites are kept on file. Students needing help and guidance can find counselors who are ready to give sound advice. The office is under the leadership of Miss Katherine Athens, chief clerk, and Mrs. Ilene Simmons, assistant.

OFFICE STAFF

These cabinboys give up their free periods to assist in the main office. Among their daily duties are delivering passes, recording grades, and numerous miscellaneous tasks.

Officers of Student Council

Central's student officers, chosen by the crew, must now return to be a part of the crew in other walks of life. They have carried out our school business and social affairs with ease and self-confidence. These students have given Central their hearts and minds; thus, keeping up the tradition of faith entrusted to them by the entire student body.
"The Crew"
Here are the top six—the three boys and the three girls who have stowed away the highest scholastic record of the Class of ’55. These Seniors, during their voyage at Central, have been outstanding both in school and extra-curricular activities. Most of them are members of the National Honor Society, and are deserving of the honor of being the high-ranking Buccaneers of the 1955 graduating class.
SENIOR CLASS OFFICERS

Back Row: Sandra White, Treasurer; Patsy Straub, Vice-President; Donna Lund, Secretary.
Front Row: Dick Downer, President.

Class of '55

The voyage is over and new horizons lie ahead. In future years the students will remember many of the unforgettable treasures which have been gained at Central.

Members have shared their treasures in many activities. The crews have lent their efforts in drama and musical fields. Still other able members have exercised abilities in class and worked to make the voyage of their "flagship," Central High School, a memorable one.

"Showboat" docked on Central's stage in February and crew members presented varied talent during the one-night stand. Proceeds of the production were used to buy a canvas drop for the stage.

Mindful of their treasures gained, the Buccaneers look forward to additional riches in the coming years.

Dick Downer, Roger York, Jack Reddick, and Leo Temps show off their latest style in hats. These khaki hats were quite the fad among the senior boys.

Donna Lund, Myrna Grunwald, Jill Thompson, and Lin Clark model the latest mode of fashion in shorts—the Bermudas. The shorts are worn with complimentary colored knee socks.

The winter season was highlighted with gay corduroys. Here Nancy Lamb, Donna Holmes, Janet Vavra, and Pat Pearson model the favorite white flare corduroy skirt.

The girls were not the only ones to wear white corduroy. White corduroy trousers were very popular among the boys as shown by Bob Ross, Ray Sisson, Jim Barnard, and Carl Edgar.

Lambs, birds, and horses make up the menagerie on the felt skirts worn by Gerre Hawk, Jockey Lawson, and Sandra Grove, while Janice Howden models one with a white poodle similar to her own poodle, "Pierre."

As the cast joined in to sing “Dixie,” the “Showboat” pulled out from its one-night stand on Central’s stage.

“Cuz” Carl Edgar auctioned off hats, pinups, and food in one of the typical homeroom auctions to raise money for the United Fund Drive. Neal Lawson, Terry Gibbs and Bob Schoentag are shown receiving their cake from Judy Ellis.

The football team changed to cheerleaders for the most amusing pep assembly of the season. How many of these dolls do you recognize?

Nancy Lamb, in her suit of armor, was prepared to slay the dragons singlehanded. This float, bearing “Grendel,” was sponsored by the G. A. A. and took second place in the Homecoming Parade.

Ready, Aim, Shoot! This group of senior girls seems to be enjoying a game of archery on Central’s campus.

It looks as though the senior boys have taken up stunts and tumbling. Here Don Morris is shown supposedly leaping over a group of his teammates.
Junior Class Officers

Ronnie Carter, President; Donna Sue Jones, Secretary; Polly Karras, Vice-President; John Ullery, Treasurer.

Class of '56

The junior class has gained great treasures through toil and effort here at the "Flagship" Central High.

In gaining treasures through these years they have lent their combined efforts in athletics, assemblies, and various important committees that help to keep up the spirit on our ship.

Their big achievement of the year is the Junior-Senior Prom, but their big year of accomplishments lies ahead of them. They will set a goal of many treasures for which they will work diligently.

Class of '57

Although half of the high school days of the Class of '57 are over, they have already left a remarkable record of service to Central.

The Deck Swabbers have lent much to our clubs and other extra curricular activities on board ship. With such effort and talents, they are to be commended for their work.

Able teachers and counselors aid the students in seeking guidance for future training and solving problems. As these sophomores continue on their voyage they will gain great knowledge and wisdom.

Class of '58

These new crewmen are just getting used to the activity on the "Flagship" Central High. They will now move up one more step in their work here at Central.

The freshman class has endeavored to maintain the high standards set for them in previous years. They have, indeed, set a record for the next class to live up to.

Crew members of this class are in charge of keeping our ship clean at all times. Spring and fall they lend their efforts willingly to the task.

Future years will prove the merit of this our freshman class, and the treasures they will bring to Central.

“Hide-Outs”
The Student Council working closely with the student body, the school administration, and the faculty, has been one of Central's busiest and most effective groups this year.

Striving at all times to be democratic and progressive, this representative group has carried on numerous activities and projects.

Central's Student Council was instrumental in organizing the first really successful sportsmanship contest during the City League basketball games this year. The "Butterscotch Mop" was an all-school dance never to be forgotten. Football homecoming, Friendly Week, Christmas Caroling, Basketball Color Day, the Dance Hall, Student Council elections, and the trip to Kansas City to appear on TV, were some of the extracurricular activities sponsored by this group.

A few of the services provided for the student body by our student government were the Student Supply Counter, the Lost and Found, and the Book Exchange. For the first time here at Central, two honor study halls were put into operation.

The Student Council was financed this year from the profits made in running a local service station for one day.

The Student Council members wish to thank the student body, the administration, and the faculty for all the co-operation given them this year.

SECOND SEMESTER STUDENT COUNCIL

Twice a week, during the winter months, many Central students enjoy the noon movies which are presented by the Camera Club. Membership in the Camera Club, sponsored by Mr. Carl Perry, is open to any student at Central who is interested in photography. In addition to sponsoring the noon movies, the Club conducted a photo contest for Central students this year.

Members of the Library Staff assist Miss McClanahan, librarian, fulfill many duties. Among their daily tasks are delivering passes for overdue books, working behind the desk, keeping the reference room in order, and assisting other students find information needed for their studies.

Wakitan Board

In the spring, Central students begin looking forward to receiving their yearbook, the Wakitan. Perhaps those who are most enthusiastic about the Wakitan are the members of the Board, who have volunteered their time and effort in order to give fellow students a yearbook which is interesting and enjoyable. To these students, under the able guidance of their adviser, Mr. Linus Dowell, go all the laurels.

1. Judith Ellis, co-editor; Mr. Linus Dowell, adviser; Bettie Reynolds, co-editor.
2. Claudia Miller, faculty; Dixie Walsh, organizations; Barbara Vetter, sports.

Outlook Staff

Every two weeks throughout the school year, Centralites receive the school paper, the Outlook. The Outlook is put out by students chosen from the journalism classes. All responsibilities that go with issuing a good paper are put upon their shoulders. Through the effort and talent of these students, under the supervision of Mr. Richard Taylor, Central students have enjoyed an interesting and informative newspaper.

1. Page Buckey, Nancy Brady, Chandra Wilson and Ruby Colwell, first-page editors.

2. Glenda Nichols, Lin Clark, LuRay Berger and Janet Schwalm, second-page editors.

3. Carol White, third-page editor; Janice Moore, fourth-page editor; Peggy Cooper, third-page editor; Donna Dowma, fourth-page editor; John Hall, fourth-page editor; Carol Johnston and Jerann Snyder, third-page editors.

Mrs. Kilgore, Mrs. Grim, Mrs. Schneider, Mrs. Vogel, Mrs. Shaefler, Mrs. Kempf, Mrs. VanMeter.

PUBLIC SERVICE

The public service committee is composed of a Public Service Board and one representative elected from each homeroom. During the year they co-operate with social organizations and raise funds for national drives. Under the direction of Mrs. Jane Pertain, it collected donations for Infantile Paralysis, Cancer, Community Chest, and Tuberculosis.

Under the direction of Mr. Ralph Wilkinson, the Fire Chiefs and Air Wardens lead the students in drills conducted once each month during the school year. These drills are intended to teach the procedure to be taken in the event of a disaster such as a fire or an air raid.

STAGE CREW

Kenneth Johnson, Larry Flinchpaugh, David Asbury, Roger Wilson.

The stage crew members are in charge of operating the stage equipment at every assembly. They give up their third hour and often much of their other spare time for assembly rehearsals. Their work is not limited to school activities; it also includes many night performances.

Educational motion pictures are becoming widely used in the classroom by teachers to explain more clearly particular subjects. The motion picture operators are carefully trained by Miss Vita Slater, who teaches them the proper care and operation of the machines.

National Honor Society

Twelve juniors and eighteen seniors were elected to membership in the National Honor Society and initiated at a formal assembly this spring. The students were chosen in recognition of their superior scholarship and leadership as well as commendable qualities of character and spirit of service. The Guidance Library, which endeavors to aid students in the selection of their career and college, was under the direction of the sponsor, Miss Freda Neal, and the twelve old members initiated last year.

This year, instead of the annual art exhibit, the Brush and Pencil Club promoted an annual art contest which was open to all students at Central.

Members of the Brush and Pencil Club had charge of the cafeteria decorations this year. Their objective, the furthering of art interest in its members, was attained by constructive criticism given by other members.

The highest honor a journalism student at Central may achieve is membership in the Quill and Scroll, an international high school journalism society. A student must be a junior or senior in the upper third of his class; he must have done superior work on the school paper, the Outlook; and he must be recommended by the faculty advisor to be eligible for membership. The purpose of the Quill and Scroll is to develop better journalists by promoting clear, concise, and accurate writing.

QUILL AND SCROLL

The Forum Club, composed of junior and senior students interested in social science, is sponsored by Miss Ruth Spangberg and Miss Edith Walker. At the meetings discussions on problems of immediate interest on both the national and local level are held. To be eligible for membership, a student must pass a general U. S. history test, have an "S" average in social studies, and have the recommendation of a social science teacher. The purpose of the club is to increase students' understanding of world happenings.

This year the Science Club held its third annual science fair. The projects excelled in the fields of Biology, Physical Science, and Electronics. Under the sponsorship of Mr. Carl Perry, the Science Club, through these Science Fairs, has done much to stimulate interest in science among the students.
ALL GIRLS AT CENTRAL WHO ARE INTERESTED IN HOMEMAKING ARE ELIGIBLE FOR MEMBERSHIP IN THE FUTURE HOMEMAKERS OF AMERICA. AT THEIR MEETINGS, THE MEMBERS GAIN KNOWLEDGE AND EXPERIENCE THAT WILL HELP Them IN PLANNING AND MANAGING THEIR OWN HOMES. THE SPONSOR OF THIS ORGANIZATION IS MRS. FRANCES LENNON.

NEWLY-FORMED AT CENTRAL THIS YEAR IS THE FUTURE TEACHERS OF AMERICA, SPONSORED BY MISS MARY HASH. THE PURPOSE OF THIS CLUB IS TO ENCOURAGE DEVELOPMENT OF QUALITIES OF PERSONALITY AND CHARACTER ESSENTIAL FOR A GOOD TEACHER; TO PROVIDE MEMBERS WITH SPECIFIC INFORMATION CONCERNING TEACHING; AND TO OFFER EXPERIENCES RELATED TO TEACHING. THIS CLUB IS OPEN TO ANY STUDENT INTERESTED IN THE EDUCATIONAL PROFESSION.
HI-Y PRESIDENTS

The HI-Y clubs of Central have contributed much to their school and community. Under the direction of the Y. M. C. A., these HI-Y clubs promote many individual projects, besides participating in the Annual HI-Y Revue, a variety show featuring many HI-Y members and the City HI-Y Track Meet.

To help teen-age girls become better Christian citizens of the community and nation, many Y-Teen clubs have been chartered at Central. Under the supervision of the Y. W. C. A., these clubs offer their services in various projects. The main project this year was the preparation for the Tri-City Conference.

Y-TEEN PRESIDENTS

GIRLS' CHOIR

The Girls Choir has become an outstanding choral group in Central's music department. Since 1947 the membership has more than tripled under the able direction of Mr. Marvin Gench, Jr.

Their performances this year have been at Bliss Junior High School and the Runcie Club. The final presentation of the year was a Sunday afternoon concert.

Band

One of the most active groups at Central is the Band under the direction of Mr. Allan Bing. This year the Band performed in the R. O. T. C. Revue, the annual Apple Blossom Parade, and sponsored the Talent Review. Among the other services rendered by the Band were the formation and marching drills presented during the half-time at football games and the music necessary for the opening exercises at assemblies.
Band

The Pep Band, composed of thirteen Central students, is responsible for helping encourage school spirit at football and basketball games and pep assemblies.

Every day, during third period, the majorettes can be seen practicing new steps and drills. In addition to marching with the Band in parades and at football games, the majorettes also gave an exhibition of fancy drill steps at the Annual R. O. T. C. Revue.

Central opened the 1954 season by placing second in the City Jamboree. Our team rolled on to tie for the City Championship with Christian Brothers and to place third in the Pony Express Conference.

After losing to both Sedalia and Christian Brothers, Central made a great comeback scoring three victories in succession. The first with Lafayette was a real thriller. With all the spectators in near hysteria, our team fought on to a 14-13 victory in the last 20 seconds of the game. Central, determined to be Co-City Champions, jammed across a single touchdown to defeat Benton and to give us our sought-after goal.

Although these were great games, probably the best remembered was the Central-North Kansas City tilt. Even though the victory was not ours, we fought a strong battle, which was considered by many to be our best and hardest played game of the season.

The boys who made the All-City Team must not be overlooked. The two from Central to be placed on the top eleven were Don Morris and Dean Midyett, backs. On the second team Central had three players: Dick Downer, end; R. E. Potts, tackle; and John Duggins, back. Those given honorable mention were John Hardin, center; Jim Barnard, end; Bob Shouse, Virgil Jackson and Denny Roberts, tackles; and Dick Lisenbee, Carl Edgar, and Joe Carroll, guards.

Not only should recognition be given to Central’s team but also to our great coaching staff. This year the team had as its coaches John Gibson, Byron Baker and Bob Brandt. Fine leadership was also evident in the work of our tri-captains—the three “D’s,” Dick Downer, Dean Midyett, and Don Day.
RESERVE FOOTBALL

The reserve football team is under the instruction of Byron Baker and is made up of sophomore and junior boys. For the third consecutive year, Central's reserve squad won the Reserve City Championship.

With a total "won-lost" record of 15-8 during the 1954-55 basketball season, Central surged forward to become City League Champions with a 6-0 record. The real "thriller" of City League play and perhaps of the entire season was a 48 to 47 game in which the Indians defeated C. B. in the last few seconds of play.

Revenge in mind, C. B. was victorious over Central in the first game of the regional tourney. However, as usual, the team fought hard all the way.

Central was defeated by Hamilton in the initial game of the C. B. tournament but entered the consolations with renewed vigor and captured the Consolation Championship.

Spurred by the excellent 51 points per game average and spectacular playing of the team, the spectators helped to promote better sportsmanship among the city schools. Central placed second in this contest.

Co-captain Ray Sisson received a berth on the first team of the all-city, P. E. C., all district, and state teams. The other Indian co-captain, Dick Downer, was chosen on the all-city, and all-district first teams, and P. E. C. second team. He also received honorable mention on the state team. Other team members to receive recognition were Don Day, all-city first team; and Virgil Jackson, all-city second team.

As shown by the numerous honors bestowed on its members, the Central team was one of which the entire school could be proud.

Besides teaching regular subjects, these five men devote their time and efforts to the betterment of sports and sportsmanship at Central. Because of their able instruction, Central has had an outstanding team in all sports this year.

The "C" Club is an honorary club for boys who have received their "C" award in one or more of the four major sports: football, basketball, baseball, and track. This year the boys sold "Central" charm bracelets for their money making project. They also held their annual "C" Club Banquet.

VARSITY CHEERLEADERS

Jackie Sonner, Lin Clark, Jockey Lawson, Rosanne Elerdanz, Sharon Young.

"S-s-s-s-s-s-Boom!" Thus starts one of Central's numerous yells led by the ever enthusiastic cheerleaders. This year the student body elected the cheerleaders from 10 girls who possessed the needed abilities. The girls chosen traveled to Norman, Oklahoma, for a session at the National Cheerleading School. The results of this training were shown in the zealous cheering and the enjoyable and unusual weekly pep assemblies.

SHIELD AND SPEAR
“Treasured Moments”
1. The Showboat shines as these hoop-skirted belles dance with their top-hatted gents while "Waitin' For The Robert E. Lee."

2. John Guyton's powerful baritone voice seems to rise to the heavens as he tells the audience about "Ole Man River." 3. Dick Downer and Don Morris will for many years be remembered as the "everlovin' sisters?" 4. Marilyn Minor and Barbara Brown add a bit of charm to the night's performance with their tap version of "Pretty Baby."

5. No show would be complete without the rhythm and dazzling color of a chorus line, and the girls on the Showboat were no exception.
“Meet Me in St. Louis”

“DUMMIES”

Judy Buster tells her sisters, Rosanne Eierdanz, JoAnn Hummell, and Diane Douglas about the dummy placed on the trolley tracks while her irate mother and father, Jim Drowns and Nancy Sue Morehead, look on with startled expressions.

“YOU’RE FIRED”

Alan Chapman erupts in a fierce voice while his “yes” man, Carl Edgar, looks on. The whole Smith family is stunned beyond words.

“THE QUEEN! THE QUEEN!”

Diane Douglas curtsies to her grandfather, John Biehl, as she and her beau, Dick Mason, leave for the fair.

“The LAST CURTAIN”

1. The spirit of Christmas is everywhere as the students gather to sing carols.

2. Behold! A King is born.

3. Dick Mason, Sam Esterkyn, and Don Day sing before cleaning up the ship. 4. Mrs. Graham and Miss Shackelford, our talented teachers, prepare to perform. 5. Don Wright and Dale Woodbury, deck swabbers in action.

6. The annual science fair in progress.

7. Garnet Barkus prepares to exercise her right to vote in student council election.
1. Monty Burnham and Brenda Blum along with many others enjoy the "Butterscotch Mop."

2. Rex Spangberg is a convincing auctioneer.

3. Mr. Gibbins demonstrates the techniques of duck hunting. 4. Judy Walton and Don Day reign at the "Butterscotch Mop."

5. Janie Baker is a promising cheerleader of the future.

6. When 3:30 comes everyone scatters to indulge in outside activities.

7. Mike Vaughn, Roger Kerns, Henry Ulmer, Tom Taylor, Jerry Burris and Larry Bowman have congenial lunchroom chatter each day.
