Life is a melting pot of emotions
Emotions are innermost personal feelings.
Emotions are expressions of the beautiful and the ugly.
Emotions are what go on in the mind
Emotions are an everyday function of life.
Departments, Administration
You may think—how boring!
Because this deals with our everyday school life.
We go to six, maybe seven, classes everyday.
Listen to lectures, do assignments, go to labs.
Laugh, grumble, pay attention, daydream, fall asleep.
We learn.
We may not realize it, but we do,
Because we know we have to.
We feel the pressure of society and the rest of
the world,
Forcing us to succeed in life.
Sometimes we think we can’t stand it.
We want to quit—
and some of us do.
But for those of us who keep going,
We find, in the end, that it all pays off.
We experience a feeling of self satisfaction.
Learning—boring?
Learning isn’t boring.
It’s a part of life.
And life certainly isn’t boring.

Trying to get his shot away from the basket, Tom Richmond has it deflected by two Sedalia defenders.
Central ties first place for city basketball title

Led by seniors Bob Blakely and Tom Richmond and junior Jeff Bushman, Central's basketball team completed the season with a record of 11-12.

The Indians tied LeBlond for the City League title as well as finishing second in the LeBlond Tourney and third in the Class L Regionals at North Kansas City.

Blakely and Bushman were named to the All-City First team. Richmond and Paul Athens were honored with Second Team All-City. Other leading players were senior John Williams, junior Brent Ruoff, and sophomore Martin Rucker.
Below and clockwise: An airborne Brent guides in a layup. Truman battles the Tribe for control under the board during a hotly-contested game. Coach Gary Sprague sends in Senior Paul Athens to score for the Indians. Martin Rucker, number 24, leaves the floor as he begins his drive for the basket. All alone, Jeff Bushman scores an easy two points in a game against LeBlond.
Reserves capture first cage victory over Benton

The Reserve football team, coached by Mr. Jim Perry, had another successful year. The Reserves were not able to take first in the city, which is the first year they have not. They did win a big game against Benton by the score of 35-33, which is the first time for beating the cross-town rival. Two of the most outstanding players were Jerome Cruse and Mike David, who excelled in offense.

The freshman team had a great year, losing only one game, which was to Benton. The Benton game was the only game the frosh have lost in eight years in the Tomahawk Tournament. Mr. Mack Clark was the coach of the freshman team.
Wrestling team ends 2nd in city tourney

The wrestling team, predominately made up of sophomores and juniors, finished a somewhat disappointing season with a 3-5 dual meet record. However, Central finished second in the yuletide, the Central Quad, and the Excelsior Springs Quad tournaments.

Howard and Talbot, the two co-captains, both had outstanding years, with Leroy finishing with a 28-3 record with 18 pins and Ted winding up the season somewhat abruptly with a wrist injury and a 10-2 record. Sophomores Mike Deal (17-8) and Scott Dittmer (15-7) were the most improved wrestlers under coach Steve Moore, who sees a better season next year with returning, experienced underclassmen.
Seven swimmers battle for state championship

The swim team has had an outstanding year in 1972-73, boasting a perfect 9-0 won-lost record and a first-place tie in the Van Horn relays. Thirteen members of Central's swim team went to the district meet at Columbia-Hickman, with ten swimmers and three divers getting the honors. Flip Miller and Mark Hampton were both undefeated in their respective events. Mark broke the school record in the 400 free style. John Stingley, Jim Koch, Mike Defferding, George Engle, and Marty Weinand are others of Coach Mier's athletes who contributed to the undefeated season.
Central’s track team continued its dominance of other city high schools by taking first place for the fifth year in a row. Setting five new records over the course of the year, the Indians also qualified for five state and/or out-of-state meets, placing first in the Cardinal Relays while grabbing second in the Mustang Relays held in Iowa. They placed seventh at Chillicothe and fifth in the Bearcat Relays.
Clearing the bar, Rick Hatten practices for district. Junior Sam Abarr works out as Mr. Frances looks on. Doing their thing are members of the cross country team. Central’s district track team is presented a plaque. At the long jump, George Blakely strains for distance. Track and field men are first row: R. Ellis, R. Cox, O. Hunter, A. Weston, S. Eiddlet, R. Thomas, M. Green, S. Rucker. Middle row: D. Wenz, T. Tibbits, T. Roe, B. Power, S. Rove, R. Johnson, B. Swing, C. Hutton, R. McCall. Back row: M. Schuler, J. Stingly, R. Hatten, G. Blakley, S. Abarr, T. Farrell, J. Hamilton.
Central Baseball Team hits best season!

Central's baseball team soared to its best season ever this year under the excellent guidance of new head coach Don Crank and assistants Bob Young and David Grimsley. With an overall record of 13-6, the Tribe had eight players elected to either or both of the city league and all-conference teams. Elected were Stan Peterson, Tom Norton, Mark Mollus, Ron Jackson, Bob Blakley, Murray Williams, Mark Mills, and Mike Munsell. The Oak Park Invitational Tournament Central was to participate in was cancelled due to wet grounds.
Tennis, Golf teams swing into victorious season

Both Central’s tennis and golf teams put it all together finishing with winning records, district, and city titles. Coached by Ron Selkirk, the tennis team finished 25-1. Barry Losson and Brent Ruoff led singles while Tom Richmond and Bill Watson led doubles events. Golfers captured fourth place in State, four strokes off the winning score. Jim Squires and Doug Wilson led the golfers to an 8-0 record in dual meet competition.
Below and counter clockwise: Coach Perry jokes with the golf squad before practice. Tom Richmond works on his returns during practice. Working out, Dave Templeman practices a forehand swing. Members of the tennis team for '72 were Mark Roupe, Bill Watson, Barry Losson, Tom Richmond, Mike Smalley, Brent Ruoff, Dave Templeman, and Steve Sloan. The '72 gold squad members were Dave Shipley, Craig Smith, Roger Mettenbrink, Jim Squires, and Doug Wilson.
Muir sponsors C-Club

Each spring GAA holds an awards assembly honoring the most outstanding girl athletes. During this assembly the girls are presented with a letter, pin, or a trophy. In order to earn these, they must gain 1800, 2800, or 4000 points during their four years at Central. Each sport is divided into majors and minors. The majors are worth 100 points apiece with the minors getting 10 points for every game played.

The Boys' C-Club, an honorary association, is available exclusively to athletes that have varsity letters. The club has fund-raising projects to acquire money for its annual banquet at the end of the year. During 1972-73, Jim Koch served as president and Coach Muir sponsored C-Club.
Below and clockwise: Trophy girls: Miss Dunham, Miss Butler, Mrs. Baker, second row: Gwen Ashbrook, Cheryl Williams, Maureen McGarett. Third row: Debbie Bullmaster, Nancy Ghea, Toni Rivera. GAA provides chance for girls' participation

The Girls' Athletic Association (GAA) finished the year of 1972-73 by successfully introducing new programs and graduating many outstanding senior girls into the field of physical education. Nancy Geha earned the GAA Scholarship for her achievement, and the Most Outstanding Senior Award went to Reggie Jackson for her excellent work in athletics.

For the first time in the history of GAA there was inter-school competition in basketball for the freshmen and sophomores, with Benton, Lafayette, and LeBlond participating in the city-wide tournament.

Mrs. Gladys Baker, who was president of GAA in her senior year at Central, has been involved with GAA for twenty-four years. She also promoted the selling of the student directory which is financed by GAA members selling advertisements. Other GAA sponsors are Miss Dunham and Miss Butler.
Below and CLOCKWISE: Overall GAA track champion Paula Frye gets up on her toes for the beginning of another race. Freshman Debbie Bollich shows the excellent form that earned her the diving championship. Kris Akard slaps a return as Laurie Douglas looks on. Playing a game of flag football, Diane Withrow sprints past the defenders toward the goal line. Readying herself for the return, Jill Bentrup waits intensely as Jean Brown whips in the serve.
Left and clockwise: Sally Green practices her back stroke. The pitch almost airborne, captain Debbie Higgins gets ready to clobber one for her team. Dea Ann Frasher hits the volleyball for a hopeful trip over the net. Nancy Geha follows through on her return shot as Dawnell Markquart hustles to back her up. Maureen Nelson and Martha Hays enjoy bowling in GAA.
Activities
Why do we get involved in activities?
Aren’t we busy enough?
Don’t we all complain of “not having time?”
But then we enjoy being active.
No one likes to be bored.
Activities bring about emotions and feelings.

By being involved in school activities,
We become more involved in school.

SLC sponsors Mixer for freshman orientation

This year an old tradition reappeared, the Freshman Mixer. Sponsored by the Senior Leadership Club the mixer took the theme of computerized dating. The mixer was a great success.

As always, registration marked the beginning of new experiences and friends. This year Central opened its doors to a class of 614 Freshmen, to make a total number of 2400 students.
Left and clockwise: Students line up for enrollment in the main office and prepare themselves for another year at Central. Ann Corken tries on her class ring during registration day while Amy Corken and Beth Denver give their opinions. Debbie Drimmel stands amazed as the computer matches her with Jeff Cutberg at the Freshman Mixer. Sledge entertains the freshmen by performing during the Freshman Mixer. Mr. Dunbar keeps his eye on the freshmen while Cindy Lie, Connie Kiefer, and Rick McKernan enjoy refreshments.
Senate initiates ideas to involve student body
in homecoming week

Homecoming is always a big affair at school, but this year it seemed even bigger. Every day of the week contained something exciting for the students. Monday was Tongue Twister and Secret Person Day; Tuesday, Greaser-Fifties Day; Wednesday, Sock Hop Day; Thursday, Dress-up Day, and Friday, Color Day.

As Central students watch, "Spirit Bunny," Jeff Edleman, smashes a pie in the face of Mr. Lindsey. The Indianettes help kick up spirit during half time at Homecoming. The Pompon girls prepare to perform during half time at Homecoming. Fall Queen, Gail Jackson rides her float around the field as she is presented before the Homecoming crowd. "Spirit Bunnies" Bruce Scott, Jeff Edleman, Dave Templeman, David Swing, and George Hays sing their spirit during a skit put on at a pep assembly. Marilyn Ciolek, Bill Carstensen, Kathleen O'Connor and Jim Finner dress up for greasers' day.
Top and clockwise: Queen Gail Jackson sits with her court of Honor during the 1972 Autumn Queen coronation. Mrs. Cutler assists Gail Jackson in finding the correct standing position during the practice for coronation assembly. Mike Morrow, Kris Akard, Nancy Schmidt, and Brent Powers talk while waiting for the beginning of the second assembly.
Gail Jackson reigned over the 1973 Football and District Cross-Country activities. Her court consisted of Kris Akard, Maid of Honor; Barb Madison, First Attendant; and other attendants Gretchen Ness, Laurie Douglas, and Nancy Schmidt.

The senior members of both teams chose the candidates and introduced them to the student body in a special assembly.
Above and Clockwise: Rufus, consisting of Steve Gideon, Mark Ray, and Bruce Scott, steals the show during "we had a....". Rod Bonner hears the heartbreaking news of his sister's death in a telegram sung by Mark Ray. The production number of Revue '73 sings 'Talk to the Animals' to get the show on the road. The Dateless Wonders, Kathy Comley, Laurie Douglas, Kris Akard, and Paulette Louden perform a dummy skit.
productive show in talent, profit, staging

Peanuts, Popcorn, Crackerjacks rather unexpectedly started this year's senior variety show.

Under the direction of Mr. Marc Stine, Clint Mooney, Robbie Madget, and Casey Meyers, the seniors decided to try for a two-night show instead of the usual one. However, the length wasn't the only change made. The show traditionally referred to as the senior variety show became the Revue '73. Other changes included such great interest that tryouts became necessary to select acts. New staging, such as the tower, ramp, and psyc, also added to the theme “Under the Big Top.”

The seniors worked to make this show. Sell-out performances proved they succeeded!

Right and below: Ezekiel Talbot and Friends sing “Sandman” and “Hey you've got to hide your love away.” Members of the group are Jeff Edelman, Richard Daily, Rene Young, Rodney Powell, and Jay Skaith. The GAA Board performs “if I were not a Centralite” with the helpful touch of Randy Cox.
Above and clockwise: Mrs. Herbison observes the Spanish Class greeting of “Merry Christmas and Prosperous New Year.” Mark Clardy and Tim Brock prepare themselves for another ride down the snowy hills of Krug Park. Miss Evans holds mistletoe over Mrs. Simms while she receives a Christmas kiss from Mr. Ozenburger. Ladies from the PTSA judge Mr. Minnick’s second hour class door, entitled Santa’s Work Shop. Rodger Jones, Vicki Rothlein, and Brenda Taylor perform in their sixth hour Christmas play “The Bald Soprano.”
Art students decorate offices for Christmas

As the year leaned toward December 25, there was something for everyone. Central's halls echoed with Christmas carols sung by various clubs and classes. Student Senate members could be seen decorating the Christmas trees; students decorated doors for homeroom competition; drama classes performed the annual Christmas plays; and the choirs presented the Christmas assembly singing traditional carols and favorites.
Queen Jackie, attendants crowned in main gym

Unlike previous years, the Winter Queen coronation was held in the main gym. Mini floats were constructed by various organizations and members of the senior and sophomore classes. Floats presented in a pep assembly immediately following the coronation were judged by Coaches Sprague, Moore, and Meir. Judging was held on the basis of workmanship and representation of the winter sports.
Above and clockwise: Shauna Roberts congratulates Kathy Comley on winning the election for student body secretary. Joyce Power, Kathy Aladeen, Debbie Michels, and Blanch Lawrence work at one of the many campaign meetings. Mary Stahl urges Randy Thomas to vote for her candidate by giving him a passout to wear. Marcus Kuntz and Marilyn Castelle check off the name of the freshman as he drops his vote in the box. Being met at the school door and urged to vote for "the best person running" is all a part of student elections.

Clint,

I dread writing for the last time. It means good-bye to so many things. Fun, craziness, & certain friends. I know this will sound so stereotyped, but I’m really glad we became friends because when I needed someone to talk to, to ease my mind, I would turn around and you were there. Thank you, for being a friend, for being you. (Happy Birthday) Love, Jill

Emotions—life, joy, love, hope, expectations

Emotions—
Joy: meeting deadlines; tears; the yearbook is complete; sadness: the year is over. Worry: life is blurred, weariness, excitement, anxiety—blurred.

Literature, happiness, boredom, hope, work, love, comfort, expectations, tenseness, often entwined with other emotions.
