Robert Kostopoulos
Principal

August 3, 2021

Dear Parents,

Welcome to the 2021-2022 school year. All of the staff at West Boron Elementary want to make this a very successful school year for your child. Your active support and cooperation, combined with our best efforts, will ensure academic success for your child. We are proud of our staff and students and invite you to be involved in West Boron. There is a spirit of cooperation and progress at our school we want to share with you. The goal of our school is to provide each student with a challenging and rigorous curriculum appropriate to his/her academic level. We believe every child can achieve academic success. To this end every child will be provided with quality instructional experiences which recognize, support, and maintain high expectations for all students. Please participate and be active in our school events and activities. The partnership between the home, the school and the child is a key factor in your child's success in school. You are an important part of what makes West Boron Elementary so special. We look forward to seeing everyone.

Sincerely,

Robert Kostopoulos
Principal
