UPDATE:

The Muroc Joint Unified School District Nutrition Services Department will be providing breakfast and lunch at specific sites during school closure. The district has received a waiver from the state of California that allows our district to serve meals to all children throughout our district beginning on Monday, April 13, 2020.

Meal pickup will be between the hours of 11:00 am to 1:00 pm, Monday through Thursday and will include a lunch for that day **and** breakfast for the following morning. There will be no meal service on Fridays as Thursday's meals will include two lunches (for Thursday and Friday) and two breakfasts (for Friday and Monday).

The following sites will be open to serve any child under 18 (or 18 who is currently a student) with free meals:

- Boron Junior-Senior High School
- West Boron Elementary
- North Edwards at the District Office Multi-Purpose Room
- Desert High School

This schedule may be adjusted in the future in an effort to better serve our communities and to protect our students, staff, and communities. We will be observant of the community needs and participation throughout this time.

Sincerely,

Trevor Walker
