I. RECONITION

The Board of Education recognizes the Plainfield Association of School Nurses as the sole and exclusive collective bargaining agent for employees of the Board who are engaged in providing nursing care.

II. BOARD RIGHTS

It is recognized that the Plainfield Board of Education has the sole right to direct the nursing care of the school district in all aspects including, but not limited to, the following:

To determine the type of work to be performed; to assign all work to employees; to determine hours of work; to hire employees; to prescribe and enforce reasonable rules and regulations for the performance of work in accordance with the requirements of the Board of Education, provided such rules and regulations are made known in a reasonable manner to the employees affected by them; to discharge or otherwise discipline any employee for cause. These rights, responsibilities and prerogatives are not subject to delegation in whole or in part, except that the same shall not be exercised in violation of any of the specific terms and provisions of this agreement, nor in an unreasonable manner.

III. DISCRIMINATION

It is that no employee shall be discriminated against by the employer because of his/her activity in the Association. The employer and the association agree that there shall be no discrimination against the employee because of race, creed, color, age, sex, national origin, ancestry, marital status, sexual orientation, gender identity or expression, disability (including, but not limited to, intellectual disability, past or present history of mental disorder, physical disability or learning disability), genetic information, or any other basis prohibited by Connecticut state and/or federal nondiscrimination laws.

IV. NEW EMPLOYEES

Newly hired nurses must serve a probationary period of 30 workdays. An evaluation of performance will be submitted to the Assistant Superintendent by the Nursing Supervisor in concert with the building administrator.

V. WORK SCHEDULE

The nurses' work year will be set at the number of student days plus six (6) extra days mutually agreed upon with the Assistant Superintendent. Any nurse hired after the beginning of the year shall have the number of extra days pro-rated. A workday equals seven (7) hours of actual work. Time needed to complete a nurse's duties beyond the 7 hour day will be reimbursed at the hourly rate, with approval of the School Principal and the Assistant Superintendent. The Board will budget a minimum of 40 hours overtime per nurse per year.

If nurse is hired for a part-time or a 1-1 pupil position, hours will be determined at the time of hire. Input from the Nursing Supervisor will be taken into consideration by the Assistant Superintendent prior to transfers between schools.

VI. SALARY PAYMENT SCHEDULE

Nurses may select from three salary payment options:

1. Twenty-six (26) equal periodic paychecks.
2. Twenty-one (21) equal periodic payments, or
3. Twenty-two (22) periodic payments with the twenty-second (22nd) balloon payment being issued on the last payroll date in June.

Once a selection has been made, it cannot be changed until the next fiscal year.

VII. HOLIDAYS

Twelve (12) paid holidays — Labor Day, Columbus Day, Veterans' Day, Thanksgiving Day and the day following, Christmas Day, New Year's Day, Martin Luther King Day, Presidents! Day, Good Friday, Memorial Day and one Floating holiday.

VIII. PERSONAL DAYS

Up to three (3) days per year will be granted for personal or legal business upon 24 hour notice to the building administrator, except in the event of an emergency. Requests for days immediately before or after a holiday or vacation will not be taken without the approval of the Superintendent of Schools or his designee.

IX. TRAVEL ALLOWANCE

An amount per mile will be paid for use of one's personal vehicle for school business. This request is submitted to the Nursing Supervisor for approval and follows the Board of Education policy based on an approved rate by the IRS.

X. PROFESSIONAL DAYS

Professional days may be allowed with the approval of the Superintendent of Schools or Assistant Superintendent. Requests must be submitted at least seven days in advance on the approved form. Such days will be paid workdays.

Professional development is encouraged for the school nurse. Nurses who undertake and satisfactorily complete baccalaureate or graduate courses for Plainfield Public Schools shall be allowed the cost of covering the tuition fees for such courses up to five hundred (\$500) dollars. Anticipated request for reimbursement must be given in writing to the Superintendent by January

As CPR is mandatory for employment with certification renewal every two years, all nurses taking the refresher American Heart Association course on the same night shall be paid for their time in the class. Funding for this will be deducted from the \$500 allocation identified in this Section X.

XI. INSURANCE BENEFITS

A. The Board shall provide the nurses and eligible dependents with group health insurance benefits. The cost sharing shall be eighty percent (80%) Board, twenty percent (20%) Nurse. The details of this plan are set forth in the master description of benefits on file in the Superintendent's Office.
