

## **Message From the PTA Regarding Class Supplies: August 18, 2021**

After thoughtful consideration, the PTA will not be supplying school supplies for all students this year.

We have been the only school in the district to provide supplies to all families, and after reviewing our budget, we realized that this expense would prevent us from investing in programming and events that we would like to return to Northeast this year.

We are sorry for any frustration or extra work this may cause. To make purchasing simpler, we have set up a partnership with Yubbler for a simple "one click" option ([www.yubbler.com](http://www.yubbler.com)). Yubbler shares 50% of profits with the Northeast PTA.

Families may purchase supplies through Yubbler or however they like, and the PTA will be happy to provide supplies for those who need support. Please reach out to the NE School counselor, Mrs. Schragen, for confidential assistance in obtaining school supplies ([dschragen@montclair.k12.nj.us](mailto:dschragen@montclair.k12.nj.us)).
