Who we are and how you can help

We are a group of parents who plan and organize school fundraising events throughout the year.

You can help by attending monthly meetings to offer your input, help out with fundraising, or run your own fundraisers.

NEW PLAYGROUND!

In 2020 Friends of Leo Nickerson finished construction on our new small playground! We are so grateful for all the help and support from all of the families and friends of Leo Nickerson. Without your support this endeavor wouldn't have been possible!

How the money is used

The Friends of Leo Nickerson committee members together with the school administrators annually plan what the school's needs and wants are and which expenditures the Friends group will pay for.

In the 2019/2020 school year, the majority of our efforts and dollars went towards the new playground.
