

Dear St. Albert Area Families,

Staples St. Albert will once again be offering a selection of Chromebooks to enhance your child's virtual learning programs.

This is the 6th year Staples is providing this service and we continue to value the partnership with St. Albert schools, parents and school boards. |

Staples offers a wide selection on brands as well as accessories to complement your Chromebook purchase. As well as our Staples EasyCare Device Protection Plans that provide additional guarantees for all defective units (including units accidentally damaged), We also offer various deferred or installment payment options (OAC).
